Forward-looking statements

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements - written and oral - that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried, wherever possible, to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should the known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise.

CREATING MILESTONES THROUGH INNOVATION

Cinema has shaped India's culture and PVR has moulded how Indian audiences perceive and enjoy movies. Our 20-year journey is interspersed with dramatic enhancements of viewer experience through innovation and creative use of technology.

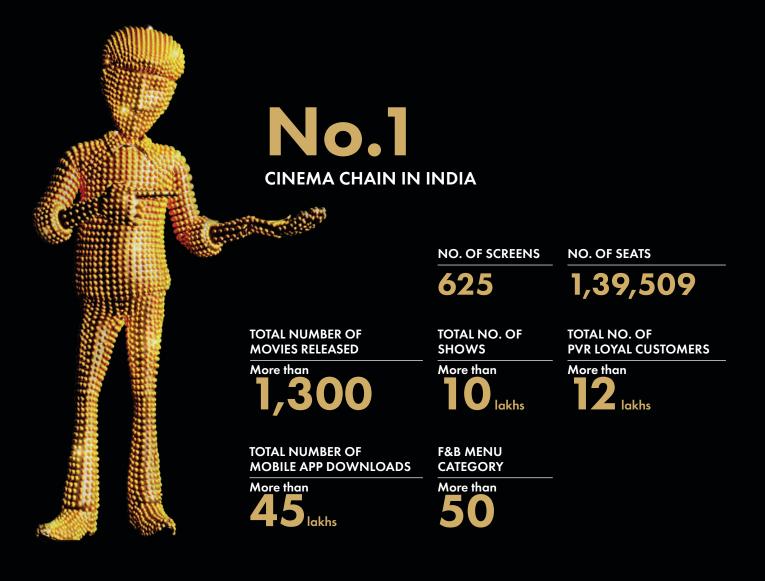

By bringing innovative technologies and truly novel experiences to the discerning masses, we have reimagined and reinvented modern moviegoing. Be it pioneering the multiplex culture in India or curating custom experiences, we have continuously created milestones throughout our exciting journey.

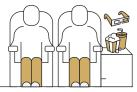

We are committed to making the Indian moviegoing experience progressively better for millions of Indians, with sound business logic and prudent investments.

The world of PVR

PVR Limited (PVR) is the largest cinema chain in India. Started in 1997, PVR has been synonymous with 'movie-experiencing', having introduced multiple cinema formats through the years, across the length and breadth of the country. Supported by the complementing entities of the Group like the Movie Distribution business (PVR Pictures), the Gourmet Popcorn Manufacturing business (Zea Maize) and Movie on Demand business (Vkaao).

Besides a customer-centric approach and a growing business of high-quality cinemas, our Company devotes undivided focus to innovation and delivers the best movie-viewing experience. This makes us not only the biggest player in the industry, but also the most preferred.

Review of operations

Box Office

As the largest and one of the most premium film exhibition companies in India, we have reinvented the concept of 'entertainment' for all cinema-lovers, thereby building a stronger brand value.

During the year, we witnessed a significant growth in revenue up on release of *Bahubali 2, Padmaavat, Tiger Zinda Hai, Golmaal Again, Toilet-Ek Prem Kata, Judwaa 2, Sonu Ke Titu Ki Sweety, Raid* and *Padman* etc. These films had triumphed in fetching as many as 7.6 crores admissions. The net Box Office collection was up by 2% for our comparable properties and 11% overall, while revenue from food and beverages saw an increase of 1% in our comparable properties and 8% overall, at Group level.

At PVR, we lead the screen advertisement space in India. In fact, our advertisement revenues are a near double of the closest peer. Our premium brand offering helps us garner premium pricing as well, which in turn helps us register better profit margins. Apart from having an exlusive tie-up with PepsiCo, we have partnered with several brands like Vivo, Oppo, OnePlus and others to display their advertisements in our premium screens.

Chairman and MD's message

We continued to follow an aggressive expansion plan. PVR Cinemas added 49 screens, expanding the network to 625 screens spread over 134 properties in 51 cities across the country.

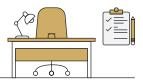

Dear Shareholders,

I write this letter with a sense of pride and joy to be a part of the PVR family. It has been a remarkable year for your Company, and I am not just talking about the strong financial performance, but also the way we organically expanded, built cinemas, innovated, and never lost sight of quality.

The year under review was far from normal for the media and entertainment (M&E) industry. Structural changes like the Goods and Services Tax (GST) have had an impact on us. Gearing up for the GST was a daunting task; however, the teething troubles were surmounted and we ensured that all issues, which may impact our customers and business are dealt with. I do hope that the reform measures rolled out by the government will transform the investment landscape of India and trigger growth.

Despite the economic changes, we continued to make remarkable progress around technology. We launched the PVR Privilege programme, which is India's first fully digital cinema loyalty programme. This strategic move has enhanced the movie-going experience for our valued guests, and we are rapidly gaining new customers, besides making the experience even more rewarding for our existing guests. We are targeting a brisk growth for the PVR Privilege programme over the next two years.

Keeping our legacy of innovations going, PVR Cinemas introduced its first Premium Extra Large P[XL] screen, our homegrown big movie screen format. The P[XL] auditoriums feature extra-large wall-to-wall screen, state-of-the-art Dolby Atmos moving sound technology and Dual 4K projection system with customised 3D glasses to bring alive every little detail of a film. As you know, I firmly believe that innovation is critical for the consumer is always looking for something new. And,

We launched the PVR Privilege programme, which is India's first fully digital cinema loyalty programme.

we have always delivered on that front, whether it's the onscreen experience at PVR Director's Cut, or installing ticketing ATMs, or introducing technical advancements like IMAX or Enhanced Cinema Experience (ECX) at our multiplexes, your Company has set the bar high when it comes to improvements and quality.

Moving on to other exciting achievements this year. Your Company entertained 7.6 crores patrons in its cinemas, up by 1.20% compared to the previous year; revenue has increased by 8% from ₹ 2,182 crores to ₹ 2,365 crores; net box office revenue grew by 11%, food and beverage revenue showed a growth of 8%, and sponsorship income showed a rise of 18% vis-à-vis previous year.

We continued to follow an aggressive expansion plan. The Company added 49 screens, expanding the network to 625 screens spread over 134 properties in 51 cities across the country.

During the year, your Company picked up a minority stake in the US-based iPic-Gold Class Entertainment, a luxury restaurant-and-theatre Company with 121 screens. We are viewing this as an R&D investment and believe that some of the learning from this unique investment opportunity can be replicated in context of the Indian market. Your Company completed the sale of stake in bluO, PVR's bowling & entertainment JV, in line with our strategy to divest non-core assets.

We deeply value our employees' engagement and their commitment to our culture of innovation and performance accountability. With a great executive team in place and with the help of our awesome colleagues, we are really making strides in achieving our strategic goal of transforming our service offerings and increasing our market share in the sector. Of course, the restlessness never ends.

Our journey will continue to be about growth, expansion and integration. Thank you for being a part of the PVR family. We draw our strength from your support.

Thank you

CEO's message

Dear Shareholders,

With India being on the cusp of a volatile consumption-led growth where middle and affluent class are expected to account for 77% of the total population by 2025*, there is a growing movement of cinema transformation in small and big cities alike. At PVR, we strive to provide an enhanced customer experience with a plethora of technologies, comfort measures, food & drink options and innovative service provisions in auditoriums.

The heavily under-screened Indian market poses as a potential growth market and we leverage it in vision and subsequent action to offer state-of-the-art services by introducing industry-leading innovations including premium large-format screens, plush power-recliner seats, enhanced food and beverage choices. At PVR, we are focussed on implementing our vision of expanded footprint across greater geography and more diverse demographics, serving the metros, along with Tier II and Tier III cities with a luxurious and holistic cinematic experience.

In the year under review, we served over **7.6 crores customers** who came through our doors providing them with the choice of movies, formats and an expanded range of retail offerings – all with great customer service.

*Source: BCG The New Indian – The many facets of a changing consumer 2017 report

As market leaders in the country, we continue to innovate and challenge every aspect of cinema experience as we look at an integrated transformation to sustain our leadership position. It has already been a busy decade for the exhibition sector, and the next too promises to carry on in the same manner. Aiming to enhance our reputation for quality and luxury, we continue to focus on the strategies outlined as below:

- Enhance geographic presence with focus on southern India in a balanced mix of Tier I, Tier II, Tier III cities, through both organic and inorganic routes
- Be industry leaders by offering customers cutting-edge audio and visual technology – expanding the premium formats such as IMAX, 4DX, P[XL], Gold Class and ensuring we invest in the latest innovative technology to provide an immersive and enhanced consumer experience
- Reinforce thought leadership by continuing to innovate across business segments including Boxoffice, F&B, Cinema Advertising, Distribution, PVR Live 2.0, VKAAO reach by tying up with ticketing platforms like BookMyShow and Paytm
- Deepen customer engagement by leveraging technology, loyalty programmes and customised campaigns

Achievements and highlights

Your Company is celebrating its 20th year of operations. It has been a rewarding journey. We are navigating step-by-step towards the new digital age while smartly leveraging our traditional strengths. We reached the milestone of 600 screens in September 2017; a feat that no other cinema has achieved in India. We ended the year with 625 screens across 134 properties in 51 cities. We plan to expand in both our growth markets in Tier II and III cities, as well as in the more mature markets in metros. Our growth markets hold significant potential, as the culture of going to the cinema becomes more established and attendance increases with the rising standard of living. We announced establishing ground in 50 cities, which enabled us to increase Tier II city presence, an area of the country where we have previously been under-represented.

TECHNOLOGICAL INNOVATION

FY 2017-18 was a prolific year for your Company with regard to technological innovations. Sustaining our industry first ROE, we were the first movers of the international 4DX technology in India. Introducing a unique cinema experience with new physical and sensory interactions with the screen via movable seats that release various kinds of effects like the wind, scent,

As the market leaders in the country, we continue to innovate and challenge every aspect of cinema experience as we look at an integrated transformation to sustain our leadership position.

water spray to enhance the events of the movie and offer a memorable, passionate fiction experience akin to reality. Later in the year, in continued efforts to provide state-of-the-art technology, we renewed our strategic deal for 15 IMAX screens in addition to expanding 21 4DX formats across a selection of our properties. By the end of FY 2017-18, the Company was operating the premium screen category with 36 screens of Gold Class, 7 of IMAX, 7 of 4DX, 4 of PXL and 4 of Playhouse across the country.

CUSTOMER EXPERIENCE

Across our movie theatres, we are focussed on providing an exceptional guest experience by continuously redefining ourselves and offering them something beyond their expectation. We choose to be 'led by the consumer' rather than 'lead the consumer' into imaging the perfect experience.

During FY 2017-18, we introduced a wide range of gourmet delicacies to further complement our premium offering and stepped up to serve the patrons with an instant ticketing solution, Quick Tix, for an added convenience. Furthermore, our loyalty programme 'PVR PRIVILIGE' provides our customers with a range of benefits and is one of the pillars of our strategy for growing revenues and admissions. The programme also bring operational benefits by encouraging repeat visits, often at off-peak times. The loyalty programme was launched in Delhi in 2017 and had performed in line with expectations during the year.

We also focussed attention on our wider communities through our CSR vertical, PVR Nest, which continued its long tradition of community engagement encompassing not only financial and in-kind support for worthy causes but active involvement in a variety of volunteer activities and community partnerships. The foundation undertook a range of activities and initiatives through the year by reaching out to around 2,000 children on a daily basis with an aim to work on the overall development of children at risk.

Building for the future

Looking ahead, we have more to do, and we are certainly progressing in the right direction. We choose to inculcate a restlessness approach to arrive at something better than yesterday. In fact, our propensity to experiment sometimes leads us to offer concepts 'ahead of time'.

We have an excellent estate, which is growing and constantly being upgraded where necessary to ensure the cinemas remain contemporary and of a high quality. We are investing in the latest technology to maintain our position as market leaders in the industry and shall persist to continue to do so with even better results and market shares, as well as continue to be an attractive Company to work for.

We are well positioned and on track to fulfill our ambitious targets and to continue delivering on our strategy in FY 2017-18. We are making continuous improvements to achieve stability, profitability and growth through our expansion and refurbishment plans as the focus, which aids our quest to reimagine the cinema going experience in India.

Finally, I would like to thank our shareholders, our customers, partners and employees for the continuous engagement and trust. Without you, our success today and tomorrow would not be possible.

Thank you

CFO's message

Dear Shareholders,

Financial year 2017-18 was a landmark year for the Indian economy with implementation of Goods & Service tax (GST), considered the biggest tax reform in the country since independence. GST has subsumed variety of central and state levies and made the tax administration much simpler and freed the exhibition industry from the clutches of state-wise regulations under the erstwhile entertainment tax regime. Your Company made a smooth transitioning to GST. Unfortunately, the services provided by your Company have been clubbed at the highest tax slab of 28% for tickets costing above ₹ 100 and 18% for others.

Your Company delivered strong results in FY 2017-18. The overall revenue grew from ₹ 2,182 crores to ₹ 2,365 crores delivering a growth of 8%. Revenue growth was backed by double digit growth in Net Box Office (11%), Food & Beverages (8%) and Advertising (18%) revenues. Our operating margins expanded from 17.2% to 18.3% in the current period delivering a growth of 15% over FY 2016-17. The profit after tax increased by 29% from ₹96 crores to ₹124 crores. The changing revenue mix towards non-box, led by higher growth in F&B and Advertising, as well as benefits of economies of scale are visible in the financial performance of your Company.

During the period under review, your Company turned free cash flows positive with entire capital expenditure for the financial year being funded through internal accruals. The net debt on the balance sheet as on March 31, 2018 was ₹ 797 crores, which did not change materially from last financial year.

† 15%

Your Company delivered strong results in FY 2017-18, despite the challenging year at box office and structural change of GST.

The performance of the mature screen portfolio continues to remain robust with properties delivering pre-tax Return on Capital Employed in excess of 20% on a continuous basis. We will continue to focus on sustainable capital allocation and maintain discipline to ensure that incremental investment delivers returns above our internal thresholds. Your Company is anticipating a significant increase in the screen roll-out for FY 2018-19 with 90 screens expected to be added in the year. This augurs well for the business and would support a higher growth in the coming financial years.

In line with the strategy of your Company to divest non-core assets, we completed sale of stake in BluO for a total consideration of ₹ 86 crores. Your Company tied up with BookMyShow, to jointly run our theatre-on-demand booking platform Vkaao and provide a richer and more engaging experience to audiences.

We will continue to invest in building capabilities and improving processes internally to manage and deliver sustainable growth for all our stakeholders. I am extremely excited about the significant growth opportunities that lie ahead of us and your Company is positioned strongly to capture a significant portion of this growth opportunity.

Thank you

- CELEBRATING -

YEARS OF ENTERTAINMENT

Celebrating 20 years and 600+ screens

In 2017, we successfully completed 20 years of PVR. As we celebrate two decades of taking India to the movies, we reminisce on successes that have become milestones for the industry – be it the launch of India's first digital screen or rolling out the largest multiplex in the country or being the only player who has crossed the **600-screen** mark.

After **20 years** of leading the market, we continue to be driven by the delight of our patrons. We stay ahead of the curve through constant reinvention and set benchmarks through innovative formats that have become instant hits.

Performance CREDIBLE. CONSISTENT. COMPETITIVE.

Over the course of our journey spanning 20 years, we have clocked an exceptional operational and financial performance record. As India's largest cinema chain, to maintain a winning value proposition and deliver consistent year-on-year growth has been no mean feat.

FINANCIALLY STRONG

As FY 2017-18 went by, we registered a revenue of ₹2,365 crores and an EBITDA of ₹433 crores. It not only represents an improvement over last year's performance, but also cements our number one rank in the industry. Further, we recorded an increased per screen performance, with a per screen revenue and EBITDA of ₹3.5 crores and ₹0.7 crores, (approx.) respectively. We have also sustained our leadership position in advertisement, as well as sponsorship revenue, a near double of that of our nearest competitor in both.

REVENUE (₹ in crores)

2,365

EBITDA (₹ in crores)

433

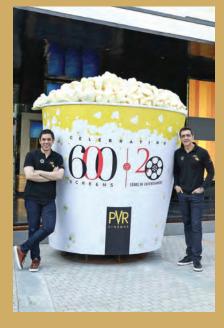

PER SCREEN REVENUE (₹ in crores)

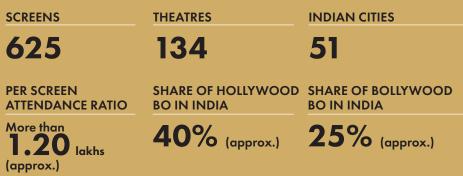

OPERATIONALLY SOUND

At 625 screens in 134 theatres spread across 51 cities in the country, we set an industry benchmark, demonstrating peerless admittance and occupancy figures. We maintained a per screen attendance ratio of 121.7, a metric that surpasses even global benchmarks by a mile. We registered a 40% domestic market share in Hollywood and 25% in Bollywood Box Office (BO) collections, another mark of our unmatched market leadership.

STRATEGIC INVESTMENT

During FY 2017-18, we invested in iPic – Gold Class Entertainment, our first-ever stake purchase outside India. In a \$4 million deal, we have gained a 2% interest in the American cinema chain. iPic owns and operates 16 theaters with 121 screens across 10 American states. The main objective of this investment is to draw learnings from iPic about luxury cinemas and apply the same to the Indian context. This would thus complement our research and development activities and further cement our top-notch status in the industry.

GOING GLOBAL

FY 2017-18 also witnessed our foray into international markets, as we finalised our entry in Sri Lanka through the incorporation of an entity. The Company has signed leases with mall developers in Colombo, where work is in progress and cinemas will be operational by the next year. We are also evaluating other South East Asian markets where we foresee a rising opportunity for multiplexes and geographies where the PVR experience will stand out.

Transformation OFFERING A TRANSFORMATIVE CINEMA-VIEWING EXPERIENCE

Since inception, we have brought to life a contemporary and larger-than-life cinema experience for the Indian audience. In a country where movie-going is the most preferred choice of entertainment, we offer unmatched quality aided by world-class technologies. We have pioneered the multiplex industry in India and continue to transform the way people look at cinematic entertainment.

PVR2.0

PRESERVING THE LEGACY OF TRANSFORMATION

We have enthralled cinegoers for more than two decades now. Over the years, we have introduced and experimented with multiple formats targeted at different kinds of audiences. We have adopted the latest technologies across each of our screens to deliver a differentiated movie-viewing experience that is synonymous with PVR.

While we have played a major role in transforming the Indian film exhibition industry, we are cognisant of the opportunities that are yet to be explored. With a vision to deepen the 'PVR experience' both inside and outside the movie halls, we are positively experimenting with multiple ways to connect better with our patrons. From offering gourmet cuisine to analysing customer data, our journey towards maximum customer delight is just getting started.

DELECTABLE CUISINE FOR THE DISCERNING AUDIENCE

In our efforts to make moviegoing a 360-degree sensory experience, we have introduced a variety of gourmet dishes, including salads, Mediterranean platters, shawarma rolls and sushi in select cinemas.

Across our flagship screens, 'Simply Sushi' has been rolled out, riding on the increasing popularity of the Japanese delicacy among urban patrons. The Tokyo cuisine is designed exclusively for the Director's Cut screen format and is offered as a separate brand in itself.

'Simply Sushi' – an exclusive sushi counter at PVR Director's Cut screens

USING DATA TO DELIGHT

We entertained over 7.6 crore people in FY 2017-18. This, combined with the emerging trend of online ticket booking (through our own app, as well as other partner platforms) supplies us with a repository of large data. We use the information thus gathered, to gain greater consumer insights and offer personalised suggestions and concessions. Consequently this enables us to deliver better serviceability, improve customer retention and enhance customer loyalty.

Technology BRINGING THE BEST TECHNOLOGIES TO CINEMA SCREENS AND BEYOND

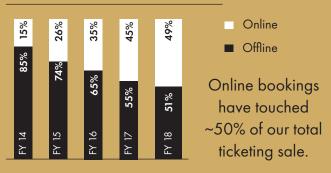

From the very beginning, PVR has been pursuant of contemporary technologies that can be deployed across various screen formats, to bring the best of the movie experiences to our patrons.

Aligned to our objective of transformation, our technological edge has scaled newer heights. Most notable of our achievements in this regard is our increased digital penetration in tandem with rising customer aspirations.

PARTNERSHIP WITH TECHNOLOGY AGGREGATORS

Using the data sourced from the aggregators, we are further able to understand the preferences of our customers in terms of movies, actors and offers.

OFFLINE & ONLINE SALE OF TICKETS

PVR WEB AND APP

By introducing the revamped PVR app, we have taken customer convenience a notch above. The app can be used by our patrons to browse movies and screens; select and reserve seats as required; and even pre-book food and beverages to be served at any designated seat. Another important facet of the app is its capability to source and understand customer preferences through advanced analytics, helping us customise our offerings and delight our customers throughout.

MOVIE CALENDARS

kets + Food & I

In India, theatrical releases stir great awe and excitement. During the days leading up to the fateful Fridays, movies are at the heart of many a critical conversation. Thus, to inform audiences about the latest releases and the next change coming to our screens, we have devised a 'Movie Calendar' that updates PVR app users on a regular basis. This ensures that the ardent cinephiles do not miss a movie and that we do not miss a customer.

PAPERLESS TICKETING

One of the biggest positive disruptions that technology has facilitated is the replacement of large-scale paper usage. At PVR, our customers now have the option to use their mobile phones to conveniently scan a Quick Response (QR) code for admission into theatres. This enables them to walk in without any extra ticket foil in hand and simply use their personal phones to effortlessly avail our services. Given the volume of the audience that we cater to, it also helps in reducing our total carbon footprint.

Experience REDEFINING IN-THEATRE EXPERIENCES

Through the years, we have transformed and redefined the way India experiences entertainment on the silver screen. We have changed the general notion of movie-watching to movie-experiencing. From state-of-the-art projection systems and advanced sound engineering, to plush seating and a wide range of Food and Beverage (F&B) options, every PVR screen enraptures audiences in a world of fantastic movie-experiencing. At PVR, there is always something for everyone. As a player who caters to multiple geographies and customer segments, we have innovated varied offerings through diverse formats, all leading to different experiences in their own ways.

We have several initiatives that complement our mission of redefining entertainment and its modes of consumption. From ensuring clean air within the auditoria to offering experiences that are targeted at multiple audience classes, we are catering to every patron in our own unique way.

- 1. AUDITAIRIUM: In some of our select Delhi and Mumbai screens, we have rolled out the concept of 'AUDITAIRIUM', where air quality is constantly monitored and the auditorium atmosphere is continuously filtered to maintain desired levels of air quality. Using electronic air cleaner technology, the auditorium is also kept allergen-free. This helps our patrons enjoy a fresh breath of entertainment!
- 2. Event hosting: With our state-of-the-art infrastructure comprising large screens, advanced projection and sound systems, private lounges and five-star amenities including customised food and beverages, we offer the opportunity to turn any event into a real blockbuster be it birthday or anniversary parties, workshops, seminars or excursions. The customised services include party décor, on screen messages, movies on demand and a personal service manager.
- **3. Seniors Day:** Every Monday, we host a special screening for our elderly audience at our select screens. We take utmost care to offer the most suitable offerings for them, right from assisting in ticket purchase to reserving aisle seats and servicing them.
- 4. Women on Wednesdays (WOW): Our WOW initiative caters exclusively to our female patrons, every Wednesday afternoon. Apart from customised service, we offer a delectable, low calorie menu and free coffee and cookie for them.

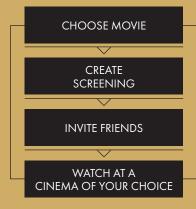

VKAAO!

Inspired by the idea of pooling and shared contribution, we at PVR introduced VKAAO – India's first theatre-on-demand service – in 2017. Essentially an online platform, Vkaao uses a crowdsourcing model to enable patrons to watch any movie of their choice from our wide collection at a theatre of their choice.

VKAAO gives our patrons access to over 500 movies (including 50+ Oscar nominated movies) and even offers recommendations basis an engine built in line with industry best practices. It also provides a bulk booking option for special occasions.

For us, this results in an additional channel of revenue, improved screen occupancy and a better customer connect.

The VKAAO model

PVR MOVIE FORMATS

PVR Directoris

The crown jewel format from the house of PVR, Director's Cut is an exceptional mix of full-length movies and extraordinary cuisine. It blends the best in high-end hospitality and entertainment, an immersive 7-star experience. Features like limousine pick-up, concierge services, pre- and post-movie dining options, and gourmet food are bundled into the Director's Cut luxury format. In terms of indulgent movie-experiencing, it has carved a league of its own.

PVRGOLD CLASS

PVR Gold Class is one of the most premium experiences offered to our patrons. This format too combines the finest in-theatre comfort and convenience, with a delectable F&B basket, making it a truly exclusive experience.

PVR IMAX[°]

Across several Tier-1 cities, we host our guests with the globally-renowned IMAX technology. IMAX takes the viewers on a fantasy ride, in an all-encompassing immersive movie experience. And we bring this IMAX world of high technology – proprietary software, architecture and equipment – to the Indian audience.

<mark>₽\R</mark> 4⊅∭

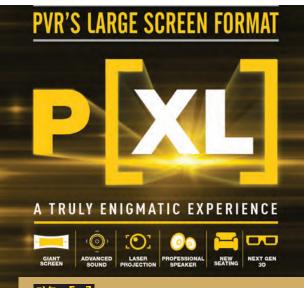

A multi-sensory cinema experience, PVR 4DX takes cinematic entertainment to a new level. Widely acknowledged as the biggest innovation in cinematic technology to date, 4DX simulates movie elements in perfect synchronisation to the plot on screen, thus delivering an exhilarating experience for every viewer.

PVR PLAYHOUSE

PVR Play House is a dream world created for kids between the ages of 3 and 12. Play House offers a special 49-seater movie auditorium that showcases children's movies, including animated content. Play House's colourful wall art is a treat for the young eyes. A mix of premier seating (for accompanying adults) and bean bag couches sets this auditorium apart from regular cinemas.

PVR **p [xl]**

An extra-large, luxurious screen format intended for an audience segment that desires a great and exclusive experience, PVR P[XL] has transformed large screen entertainment. Further, with a wide variety of freshly prepared F&B menu and on-seat service, it provides in-theatre indulgence beyond compare.

A combination of luxury and comfort for all patrons

Our mainstream screen format that sets the benchmark for cine-going experiences in India

A technology-rich PVR offering for an enhanced cinema experience

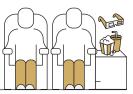

A best-in-class branded movie-viewing experience for the cinephiles in smaller towns and cities

ICONIC Cinemas that are all about 'Opulence'

New landmarks of the city

During the year, we unveiled nine new cinemas, taking our total cinema count to 134 and screen count to 625, in 51cities spread across the country. This was a proud moment for us as it sets a new benchmark and reinforces our position as India's largest multiplex player.

The following are the new additions to our multiplex portfolio:

1. Five-screen multiplex at Grand Galada Centre Mall, Chennai

The multiplex is equipped with 2K projection, 7.1 Digital Dolby surround sound system and Dolby ATMOS, along with next generation 3D-enabled screens.

2. Three-screen multiplex at Cine Mall, Kota, Rajasthan

The launch of this multiplex marks the debut of PVR in Kota. The Cine Mall multiplex offers unrivalled experience and is slated to redefine the movie-going experience in the city. It is spread across 30,000 sq. ft. and has a seating capacity of 828. It is Kota's first cinema with recliners and next-generation 3D technology and Digital Dolby surround system.

3. PVR ICON at Pavillion Mall and PVR Cinemas at Kumar Pacific Mall, Pune

Two multiplexes, the six-screen PVR ICON and the four-screen PVR Cinemas, were launched on the same day in Pune, hiking the total count of PVR screens to 35 in the city. This is a first-of-a-kind attempt by any cinema exhibition Company in India in terms of scale. Both these multiplexes are equipped with 4K projection and next-generation 3D technology. These cinemas were inaugurated by actors Siddharth Malhotra and Arjun Rampal.

4. Three-screen PVR ECX at Chanakya Mall, Chanakyapuri, New Delhi

We revamped the iconic Chanakya cinema as PVR's first ECX multiplex in New Delhi, with state-of-the-art technology and contemporary design. The multiplex is equipped with 4K projection system, next generation 3D-enabled screens with Ultra HD picture quality and Dolby ATMOS surround-sound system in all auditoriums. Through the launch of this cinema we reached the mark of 600 screens. The cinema also offers automated F&B kiosk Quick Bites, for the first time ever, wherein patrons can either pick up their order from the counter or get it served on their seat.

5. Three-screen multiplex at VVIP Style Mall, Ghaziabad

The three-screen multiplex at Ghaziabad features all state-of-the-art features such as 3D-enabled screens and a Dolby Digital surround system. It is aimed at delivering an exceptional movie experience to the patrons. The multiplex also features our NextGen cinema design concept. With the addition of this property, we have a total of 111 screens across 28 properties in the National Capital Region.

6. Twelve-screen PVR Superplex at Vega City, Bengaluru

Bengaluru saw the launch of our second Superplex, which brings under one roof multiple cherry-picked, world-class cinema formats. PVR Superplex has the capacity to cater to 1,670 patrons and covers an area of 70,574 sq. ft. The Superplex houses three Gold Class screens, one IMAX, one 4DX format and Bengaluru's first Playhouse screen, apart from others.

7. PVR ICON at Hitech City, Next Galleria, Hyderabad

With this five-screen multiplex, Hyderabad gets its first PVR ICON. The multiplex is richly designed in art deco style and is equipped to engage patrons using a 4K projection system, Dolby Digital ATMOS surround system and next-generation 3D capabilities. With the addition of this multiplex, we have deepened our presence in South India.

8. Eight-screen multiplex at Next Galleria, Panjagutta, Hyderabad

Representing our sixth location in Hyderabad, this eight-screen multiplex is spread across 37,800 sq. ft., with the capacity to seat 1,278 patrons. It comes with state-of-the-art technology, plush design and an array of gourmet delicacies for the discerning audience. This multiplex also houses the state's first PVR Playhouse – a unique offering for our young patrons.

Launch of PVR PRIVILEGE loyalty programme

As we marked our 20th year in business, we introduced 'PVR Privilege' – a class leading, loyalty programme for our ever-growing patron base.

The 'PVR Privilege' programme is India's first fully digital cinema loyalty programme. It offers consumers umpteen privileges and benefits including reward points on each purchase of tickets or food and beverages (F&B); bonus points during special occasions; personalised offers and services and an automated conversion of reward points into vouchers that can be used to pay for tickets and F&B.

The 'PVR Privilege' programme promises to make the movie-going experience hugely rewarding for customers. By earning points and autogenerated vouchers, from first-time visit to subsequent transactions, PVR customers are in for a treat with this loyalty programme.

The PVR Privilege programme aims to further delight our patrons with unique and customised offerings, taking customer delight to a whole new level. This is expected to visibly bolster customer addition, with ~10 million patrons, retention and loyalty metrics in the near-term. Combining our data analytics capabilities with the loyalty programme, we will use our customer database more effectively to better serve our patrons.

EMPLOYEE ENGAGEMENT AT PVR

Transforming lives through CSR

We are intertwined with the society and constantly endeavour to render assistance for the development and progress of the social order we are a part of. Bearing our social responsibility through our CSR arm – PVR NEST – we have adopted an integrated outreach strategy focussing on social change and empowerment of disadvantaged societies through public health, sanitation and education programmes.

Since the past 12 years, we have engaged regularly with communities through financial aid and volunteering initiatives and have partnered with Central and State Governments, embassies, national and international voluntary organisations and societies and other trusts to fulfil our corporate social responsibility.

EDUCATION

Childscapes

A sharp focus on enabling 360-degree development of at-risk children through interventions in education, nutrition, healthcare and rehabilitation, Childscapes is PVR NEST's flagship programme. Operating out of 12 Childscapes centres established across NCR, PVR NEST reaches out to around 2,000 children every day.

Childscapes regularly engages with governmental and non-governmental organisations, civil society associations and many other foundations to conduct workshops and facilitate awareness programmes. Some of them include: National Commission for Protection of Child Rights (NCPCR), Delhi Commission for Protection of Child Rights (DCPCR), Department of Women and Child Development (DWCD), HAQ, Jamghat, Dusty Foot Foundation, Pratham, Indus Action, Art for Play Foundation, Society for Promotion of Youth and Masses (SPYM), Jodo Gyan, Tarkeybein, Salaam Baalak Trust and others.

Right to Education

Partnering with Indus Action, PVR NEST is working towards protecting a basic right of children – the right to education. Structured around promoting the facets in RTE Article 12(1)(c), the body enables the most vulnerable children get access to education. At present, 159 children have been admitted to the private schools of Delhi with the help of 75 Childscapes community mothers. The project is being implemented pan India in the states of Chhattisgarh, Tamil Nadu, Uttarakhand, Madhya Pradesh, Karnataka and Delhi.

Scholarship for Excellence in Academics

PVR Nest has a Scholarship for Excellence and Academics (SEA) programme, an educational initiative that provides full scholarships to students who hail from infrastructurally disadvantaged areas. At present, 14 students are under the scholarship initiative, admitted to the best institutes.

CineArt

A film-based educational programme, CineArt ensures leadership development through behavioural change. Individuals and organisations from different sections of society unite and collaborate, under the aegis of PVR Nest, to nurture bright young minds into tomorrow's leaders.

She's Ambassador programme

In continuance with its efforts of making a socially positive change, PVR NEST has completed the 'She's Ambassador programme' in association with Mumbai Obstetrics and Gynaecological Society (MOGS). Designed to develop leadership skills and increase health awareness among girls, this educational programme has reached out to 50,000 girl children across 50 BMC schools, generating a brigade of 200 health ambassadors who made five short films on different themes that were showcased to our 8 crores PVR customers. Several guests of honour graced the grand finale of the programme.

EXTENDED NEST INITIATIVES

PINK Toilets

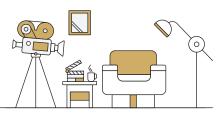

Government organisations including National Commission for Protection of Child Rights (NCPCR), South Delhi Municipal Corporation (SDMC), Delhi Commission for Protection of Child Rights (DCPCR) and Department of Women & Child Development (DWCD) have come together to invest time and resources in building smart facilities called 'Pink Toilets' around PVR Complexes, where PVR NEST acts as the maintenance partner. The partnership involves maintaining three 'Pink toilet' compounds around PVR complexes at Vikaspuri, Anupam Complex and Vasant Vihar.

Setting up Computer Lab

To support children in attaining common core content standards and new-age skills, PVR Nest set up a computer lab consisting of 15 computers along with a wall-mounted smart board at one of our community schools – Little Ones Public School (LOPS). LOPS is a recognised school, where students from economically weaker sections receive formal education till eighth grade. Through this initiative, PVR NEST will be able to impact 250 students and 12 teachers, empowering them and also enhancing their literacy skills using technology.

Joy of Reading Campaign and Book Donation Drive

PVR NEST in association with Katha, DLF and PVR Cinemas in Delhi-NCR, held a book donation drive wherein it encouraged people and moviegoers to donate books. The books were used to set up community libraries in five Childscapes centres.

Celebrating International Women's Day with PeeBuddy

Under our health and sanitation initiative, PVR NEST celebrated Women's Day with PeeBuddy wherein the founder, Mr. Deep Bajaj, held an interactive session with our corporate employees. The topic revolved around the unique situations women face while travelling outdoor (work/leisure) and the solutions PeeBuddy has to offer.

Green City Initiative

Through this initiative, we adapt and adopt environment-friendly solutions around PVR Cinemas. The Delhi Government has partnered with PVR to collectively maintain the Africa Avenue under the outer-ring road flyover, a first instance in which a state govenment has partnered with a corporate to aid in a social initiative. This helps us contribute to the nation-wide Swachh Bharat Abhiyan and to materialise the dream of a clean India, as envisaged by our honourable Prime Minister.

# Management Discussion and Analysis

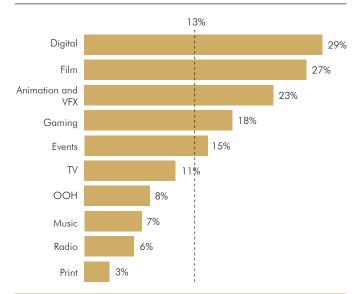

#### Macroeconomy

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF) and it is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. India's GDP is estimated to have increased 6.6 per cent in FY 2017-18 and is expected to grow 7.3 per cent in FY 2018-19. It was a landmark year for the economy, given the implementation of several broad structural reforms such as the Goods and Services Tax (GST), recapitalisation of banks and the Insolvency and Bankruptcy Code.

India's GDP Per Capita reached USD1,977.29 in March 2018, compared with USD1,751.85 in March 2017. Annual per capita income is expected to grow at 10% CAGR in the next 5 years. Increased discretionary spend is driven by increasing disposable income. With 50% of population in the working age group (20-60 years of age) and a low median age of 27 years, consumption in India is expected to grow rapidly. Further, consumption expenditure will be driven by increase in disposable income, urbanisation, nuclearisation and other enablers.

#### **Media and Entertainment Industry**

The Indian M&E industry reached ₹ 1.5 trillion in the calendar year 2017, an improvement of ~13% over 2016; and it is expected to cross ₹ 2 trillion by 2020, at a CAGR of 11.6%. It contributes to 2.8% of the GDP and generates employment for nearly 1.2 million people. Varied content preferences, low price points and differentiated regional sub-markets across the country set the domestic M&E sector apart from the rest of the world.

#### Film industry

The Indian film segment grew 27% in 2017 on the back of box office growth – both domestic and international – coupled with increased revenues from sale of satellite and digital rights. It is expected to grow at CAGR of 12% as shown in below table. 9 Hindi films crossed ₹ 1 bn mark in domestic box office collection in 2017 as against 6 in 2016.

#### Film industry growth

| Revenues              | 2016  | 2017  | 2018E | 2020E |
|-----------------------|-------|-------|-------|-------|

India is the 5<sup>th</sup> largest box office market in the world, set to overtake the UK market. It makes about 1,800 movies in a year – Bollywood and Regional.

While Hindi language film account for 17% of the Indian film releases, they contribute to  $\sim$ 40% of the net annual domestic BO collections. Films made in other regional languages comprise  $\sim$ 75% of the segment and they contribute to  $\sim$ 50% of the net annual domestic theatrical collections. South India is the largest regional market, led by releases in Tamil, Telegu, Kannada and Malayalam. Foreign-made films, including the increasingly popular locally-dubbed versions, account for the remainder of the net annual domestic BO collections.

#### **Exhibition infrastructure**

India has one of the highest footfalls, with regard to cinema screens, in the world. While contemporary multiplexes are growing, the number of single screens has substantially reduced. At the same time, multiplexes contribute to  $\sim$ 50% of total sales in 2017 with single screens accounting for the rest. Half of the screens of India, are in South India where the penetration of multiplexes is lower.

#### **Growth in multiplexes**

| No. of screens | 2009   | 2013  | 2015  | 2017  |
|----------------|--------|-------|-------|-------|
| Single screens | 9,710  | 8,451 | 7,400 | 6,780 |
| Multiplexes    | 925    | 1,500 | 2,100 | 2,750 |
| Total          | 10,635 | 9,951 | 9,500 | 9,530 |

[Source: Re-imagining India's M&E sector, FICCI-EY report 2018]

Although India's film industry (comprising 29 fully independent regional film industries) produces the largest number of releases annually, it still represents one of the most under-penetrated markets. This is due to untapped potential in Tier-II, Tier-III and Tier-IV markets.

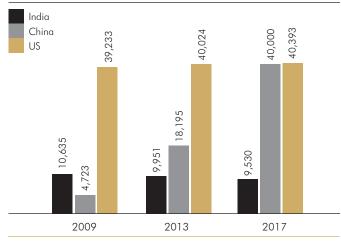

#### Average screen presence across major countries

| Country        | Screens per million<br>population in 2017 |
|----------------|-------------------------------------------|
| India          | 8                                         |

The screen count in India reducing over the years as against the increasing screen count across other markets. China has increased its screen count by almost 20 fold since 2007.

[Source: Re-imagining India's M&E sector, FICCI-EY report 2018]

#### **Consolidation:**

The exhibition space is highly fragmented and existing industry players strive for market dominance through mergers, acquisitions and consolidation. From a highly fragmented multiplex market 5-6 years ago, large multiplex players have led a series of acquisitions to fulfil gaps in their regional portfolio and consolidates screen presence in high spending urban markets. The next wave of growth is expected to come by means of organic expansion in non-urban areas and widened service offering in the form of experiential film-watching.

#### GST

Exhibition traditionally has had an average state Entertainment Tax rate of 22-23%. With the implementation of GST, exhibition falls under the highest tax bracket of 28%, which is even higher as compared with other Countries like China, Japan and France. There are just 35 items left in the highest tax bracket which unfortunately still includes movie tickets.

#### **PVR Business overview:**

Incepted in 1997, PVR – India's leading multiplex chain – celebrated two decades of operations in the year under review. At 625 screens, 134 theatres and 1,39,509 seats, spanning 51 cities in 19 states and Union Territories (UTs) as at March 31, 2018, the Company has a dominant pan-Indian presence.

## **OUR PAN-INDIA REACH IS UNRIVALLED**

Your Company is the first cinema Company in India to cross a milestone of 600 screens during the year. We opened the 600<sup>th</sup> screen in September 2017. During the year, we added 49 screens across 9 properties taking the total to 625 screens across 134 properties in 51 cities.

Your Company has launched a fully digital loyalty programme 'PVR Privilege', a class-leading loyalty programme for its ever-growing patron base. The loyalty programme aims at offering its members an enriched array of first-class redemption opportunities and enhanced benefits. PVR privilege is a strategic move to delight, create and retain loyal customers. We are targeting a brisk growth for the PVR Privilege programme over the next 2 years. We would use data analytics to give customised offers to patrons.

In line with our strategy to divest non-core assets, Your Company has completed the sale of bluO, PVR's bowling and entertainment JV for a total consideration of ₹ 86 crores in August, 2017.

Evolving retail avenues in India, such as shopping centres and commercial complexes, offer greater access to exhibition infrastructure. We plan to add 90 screens across India in FY 2018-19. We have already opened 18 screens with few screens awaiting licenses and more than 100 screens are under fit-out. The expansion is majorly focused on South with plans for 47 screens and Tier II, III and IV markets. Overseas expansion, starting with a property in Sri Lanka, is also in the offing.

Further, on technology front 14 4DX and 8 IMAX Screens are in pipeline with definitive agreements signed, which will further enrich customer experience.

We put our customers first and at the core of our business. Our culture is based on our customers and their needs. Each customer is different and we cater to each customer need through various formats like Directors Cut, Imax, 4DX, Gold Class, Heritage, Play House and others. Consumer experience is being upgraded through consumer centricity initiatives and digital transformation. Through PVR Privilege we have developed a framework for continuous consumer research, big data analytics and constantly upgrading the royalty programme to meet the demands of the consumers. Our F&B offerings have witnessed a paradign shift. Our offerings are high on taste and low on fat; these include brown bread sandwiches, salads, grilled chicken skewers, diet popcorns, baked potato fingers, lassi, organic popcorn and flavoured Makhana, introduced live kitchen counter, increased point of sales distribution all over cinema and deployment of latest technology has eased the overall F&B buying process.

#### Group Revenue increased from ₹ 2,182 crores to ₹ 2,365 crores, a growth of 8%; Sponsorship Income increased from ₹ 252 crores to ₹ 297 crores, a growth of 18%; Group EBIDTA increased from ₹ 376 crores to ₹ 433 crores, a growth of 15%; **Key Financial** Group PAT increased from ₹ 96 crores to ₹ 124 crores, a growth of 29%; highlights Basic and Diluted EPS increased by 30% to ₹ 26.68 and ₹ 26.57 per share respectively; The Group maintained its dividend pay-out ratio for another year and paid a dividend of ₹ 2 per share; Net cash generated from operating activities ₹ 446 crores. Footfall increased from 7.5 crores in FY 2016-17 to 7.6 crores in FY 2017-18, representing a growth of 1%; • ATP and SPH increased by 7% and 10% respectively; Key Increase in online penetration at a CAGR of 27%; Operational Leading technological innovation with 7 IMAX, 7 4DX, 36 Gold Class, 4 of P[XL] and 4 Playhouse; highlights 0 Celebrated 600 screens along with 2 decades of experience; 0 49 new screens openings, bringing the total number of screens to 625 at March 31, 2018.

### Performance of the Company

#### **Key strengths:**

#### **DIVERSIFIED PRODUCT PORTFOLIO**

The Company offers a wide range of premium, multi-sensory, technologicallyenabled and pro-kids cinema-viewing formats, to deliver best-in-class consumer experiences.

#### STRONG LOCATION AND PRODUCT STRATEGY

The Company is present in attractive real estate locations, with an asset-light model, free from ownership of real estate. It has long-term rental agreements with well-known mall developers in the country.

#### LATEST TECHNOLOGY

The Company partners with technology aggregators such as BookMyShow and Paytm to capitalise on digital trends. Its website and mobile app facilitate pre-booking of seats, F&B orders and other services, while its movie calendar drive excitement among consumers about upcoming movies. PVR adopts QR code-based paperless ticketing to ensure seamless customer transactions. Further, deluxe formats such as PVR Director's Cut uses cutting-edge in-theatre technology to emulate airline-style service comfort and convenience.

#### LEADER IN ADVERTISEMENT REVENUE

PVR's strong brand recognition with great locations and quality footfalls translate into partnerships with major brands across sectors; the Company's advertisement revenues are twice the nearest competitor.

#### HOLLYWOOD SHARE

The share of Hollywood to overall revenue was 20% during the current financial year whereas it formed 13% of the overall box office revenues in India. This shows that our consumer segment is more of Sec-A category. Experts believe that 2018 will be an interesting year as Hollywood tries to grow the base it has built for itself in India. Your Company is ready to cater to the increasing Hollywood market.

#### FOCUS ON ATTRACTING KIDS

Kids are an important audience and hence we are customising screens to cater to this segment. Accordingly, to cater this segment, we have launched 'Playhouse', a space especially designed for kids. It is a small auditorium, screening children's movies and animated content. Features and facilities include a colorful, themed décor, bean bag seating sets, dimmer lights, customised food menu for kids, etc. these attributes make for a popular place for play-dates and birthday bashes.

#### **Threats and concerns**

#### **Key challenges**

**Piracy:** The two major sources of the menace of piracy in the Indian film segment is video recording of films in cinemas and the prior official release across other geographies.

**Regulation landscape**: The multiplicity of different license approval processes in the film exhibition space hinder its growth. Besides, the newly-introduced GST on movie tickets priced above ₹ 100 is 28%. If local bodies levy entertainment tax, the effective tax rate on tickets could be between 30% and 40% – which is more than previous rates. Moreover, some Indian States regulate maximum ticket prices for exhibitors. This restricts the Company's revenue potential.

In addition to higher tax rates, there is a change in the Input Tax Credit (ITC) for Food and Beverage (F&B) service. Cinema operators are eligible for full ITC of GST paid in respect of film exhibition. However, the GST rate has been fixed at 5% on F&B without any ITC, thereby limiting the ability of cinema operators to offset input and output tax credits which increases costs.

#### What this means for PVR

The Company adopts stringent security provisions, while promoting greater consumer awareness to prevent revenue leakages through piracy.

The Company has dedicated teams that continuously evaluate the regulation climate to lower unpredictability and devise a strategic response to the same.

#### Key challenges

**Expansion:** While the emergence of shopping complexes has changed the shape of cinema exhibition in India, the infrastructure is still inadequate to support global screen density benchmarks. Navigating sluggish mall development, high rental costs of quality properties and the complex regulation environment, timely execution of expansion plans is a key challenge for the Company.

**Content suitability**: India's filmed entertainment is seeing a conscious move towards content segregation based on viability for theatrical release. This raises the risk of lower footfall.

#### The Rise of 'New-Age' Digital Media Consumption:

In the age of digital disruption the means of access to films for consumers have increased abundantly through multiple OTT platforms. OTT Video on Demand (VoD) platforms like Amazon Prime Video, Netflix and local players like Hotstar, Voot, SonyLive, ALT Balaji have become very active – looking for exclusive deals with production houses and producing own content. There are over 40 OTT platforms in India offering services at very competitive rates. Netflix offers basic subscription plan for ₹ 500 per month which is equivalent to watching 2-3 films in a multiplex cinema. Some domestic players offer services for as low as ₹ 100 per month whereas some operate on a freemium model. This has increased the risk of lower footfalls in the cinema exhibition halls.

The film exhibition segment has seen several decades of disruption through various electronic mediums including VCRs, CDs, DVDs, MP3 and online streaming services. Cinemas have not only survived these technologies, but prospered in all of these eras. Approximately 57% of the frequent moviegoer population (individuals who hit the cinema once a month or more) in US fell between the age group of 12-39. This can be compared with the fact that more than 70% of the millennials and Gen X adults in the US have an active OTT subscription. Therefore, it is more likely that most of the OTT subscribers are actually frequent cinema-goers.

The exclusive theatrical release window is important to producers as they earn maximum revenue from domestic box office collection. Another noteworthy trend is the attempt by distributors to debundle the satellite TV and Internet rights as they view greater monetisation potential in dealing with OTT platforms and broadcasters separately.

#### Outlook

Going forward, the Company will focus on improving and strengthening bottom line, through cost efficiency, Revenue management and customer experience.

The single screen presence in the country provides considerable scope for multiplex penetration. The Company will extend its reach in Tier II, Tier III and Tier IV while premium formats will be promoted across Tier-I cities. Another key thrust area for higher occupancy will be in the southern regions of the country.

With increased internet penetration and rising income levels and lucrative offers like cashbacks, discounts, other schemes etc.

#### What this means for PVR

The Company builds stable and enduring relationships with stakeholders to sustain its ambitious real estate expansion plans.

The Company leverages technological innovations and identifies new business opportunities to offer an unmatched cinema experience to consumers.

Emergence of online platforms has resulted in an enhanced dialogue between exhibitors and distributors around an exclusive theatrical release window. In the developed countries the window is ~90 days for exclusive theatrical release whereas in India the consensus is moving towards an exclusive theatrical release for 8 weeks.

consumers increasingly prefer the convenience of online ticketing as opposed to buying tickets at the box office counter. The advent of numerous e-ticketing platforms such as BookMyShow and PayTM has provided major tailwind to the proportion of tickets booked online. In FY 2017-18, approximately 50% of tickets were sold online. With the Government initiatives promoting digital payments and emergence of digital wallets, e-ticketing is expected to receive an impetus going ahead as well.

The Company will continue to diversify its F&B offering, modelled after Quick Service Restaurants (QSR), Overseas expansion, starting with a property in Sri Lanka, is also in the offing.

India is witnessing a rise in collaborations between Indian production houses and foreign studios. Fox, Disney, and Viacom have been spending heavily in their effort to gain a foothold in Bollywood and have established their domestic divisions in India.

Considering India's growing economy, huge, young and aspirational population with disposable income and affinity towards evolved, holistic entertainment, the Company's performance is expected to improve significantly in the coming years.

#### **Internal controls**

Your Company believes that sound internal controls and systems are related to the principle of good governance and should be exercised within a framework of proper checks and balances. Accordingly, your Company has devised and implemented such internal control systems as are required in its business processes; the adequacies of these have been confirmed by the Statutory Auditors in their Report. The Company remains committed to ensuring a reasonably effective internal control environment that provides assurance on the operations and safeguarding of its assets. The internal controls have been designed to provide assurance with regard to recording and providing reliable financial and operational information, complying with the applicable statutes, safeguarding assets, executing transactions with proper authorisation and ensuring compliance with corporate policies. The Company has adequate internal control systems commensurate with its size and need. Internal Auditor periodically reviews all control systems and assists in monitoring and upgrading the effectiveness of control systems. The Audit Committee also reviews this process.

#### Human capital

With a rigorous recruitment programme and comprehensive training initiatives, the Company ensures that its new and existing talent pool is groomed to deliver the highest level of customer service in the exhibition space. The training modules focus on: sharpening the skills and capabilities of teams in accordance with the strategic values and objectives of the Company; support the leadership in their vision for the future; streamline internal processes and rationalise costs. PVR nurtures high-potential talent with incentives, workshops and rewards. Some of the Company's Human Resource (HR) initiatives include:

- 'PVR Springboard' to digitise the employee learning platform
- 'RGM Shake Up' to upskill regional operational managers
- Sustained efforts to optimise manpower planning and utilisation
- Collaboration with National Skill Grid Corporation and various non-profit bodies to source talent under the Government's 'Skill India' mission
- Sophisticated data tracking for efficient process reviews
- Competitive compensation benchmarking to attract, motivate and retain key talent
- Equal opportunities for everyone, regardless of caste, gender or religion for all positions in the Company, to bring diversity in the workforce

Besides, the Company provides an array of employee welfare benefit schemes, including social security, annual leaves, Medical, Term life and Accident Insurance.

The number of people employed by the Company on the last date of Financial Year was 10,264.

#### **Industrial relations**

Your Company continues to maintain its culture of fair management practices. It consistently endeavours to provide a supportive and congenial work environment, ensuring optimal work-life balance to its people.

In particular, the position of Key Managerial Personnel should be filled by senior personnel having relevant qualifications and experience.

The remuneration structure for Key Managerial Personnel and Senior Management Personnel shall be as per the Company's remuneration structure taking into account factors such as level of experience, qualification, performance and suitability which shall be reasonable and sufficient to attract, retain and motivate them.

The remuneration may consist of fixed and incentive pay/ retention bonus reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The aforesaid employees may also be provided any facility, perquisites, commission, accommodation, interest free loans or loans at concessional rate in accordance with the policies framed for the employees or any category thereof.

However loan to the Directors who are KMPs shall be governed by such approvals as may be required by the Companies Act, 2013.

PVR uses three elements important for remuneration policy i.e.

- 1. Organisation Structure
- 2. Compensation
- 3. Performance Management

#### 1. Organisation structure:

- The structure of the organisation has to be in-line with business needs and proposed/targeted growth of the organisation.
- The span of control has to be kept in mind while deciding the organisation structure (8-10). An attempt to have one level skips difference between supervisor and subordinate.

 Tooth to tail ratio to be kept in mind while deciding the organisation structure.

#### 2. Compensation:

- The compensation of senior management is recommended to have 'fixed and variable components' and is to be migrated from as of now state to desired state.
- Compensation will also vary on nature of responsibility/role (field/Non-Field).
- The committee considered it necessary to differentiate between performance and non-performance by giving differential compensation.
  - 'Cost To Company' to have following components:
- Fixed CTC (Monthly Salary Payouts)
- Variable CTC (Incentives/Payout based on performance)
- Long term Wealth Creation (Stocks/Phantom/Cash/ Retention bonus)

#### 3. Performance Management:

- The KRA and KPI are available for all senior management employees and the total number of KRA do not exceed 5 to 7.
- The objective setting is clear and should represent the key objectives of the organisation.
- The same is categorised into following business levels.
  - a) Financial
  - b) People
  - c) Customer
  - d) Process

#### Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Outgo

Particulars required under Section 134(3) (m) of the Companies Act, 2013, read with Rule 8 of the Companies (Accounts) Rules, 2014 are as mentioned herein below:

#### (i) Conservation of Energy

**Energy conservation measures taken:** 

- Awareness of Staff towards benefits of reduction in energy wastage and how and what of energy conservation is being continuously done, by conducting trainings and knowledge sharing sessions.
- Incentivisation policy is implemented and contributors to the cause are appreciated and incentivised accordingly. Idea sharing and its successful implementation across all the sites is recognised and awarded.
- On board Certified Energy Auditor and Manager to supervise and implement energy conservation measures. Outside consultants have been appointed to provide energy saving measures over and above the existing system. They provide suggestions on optimising energy usage, lux level of various areas, design aspects of Electrical and HVAC systems etc. So that equipment efficiency can be maintained and energy conservation can be done.
- We have also audited equipments under mall catering to PVR and other tenants to identify inefficiencies and suggested operational and equipment change to reduce wastage of energy. Mall's have also come forward and approved Energy auditing by 3<sup>rd</sup> party to identify ineffencies at their end though at the cost born by PVR.
- APFC's are being used to maintain power factor above 0.98 and thus ensure that the reactive power in the system remains as low as possible. As a result rebates from the power supply companies are being received in electrical bills.
- Load running is optimised by following switching On/Off procedure. Timers are being used to ensure optimisation. Mechanical Timers on loads and areas with intermittent usage is in implementation. This helps in safety against fire due to long un attended over usage and helps in energy conservation.
- Occupancy Sensors have been installed in washrooms to save energy by reducing the lighting load to minimum by switching off lights when washrooms are unoccupied. implemented across PVR to conserving energy
- Replacing major lighting by LED lights using retrofits in existing locations. Upcoming sites using LED mainly.

- New and Efficient Screw Chiller are installed at locations giving energy savings. Old and inefficient chillers are being phased out and being replaced with new technology- high efficiency chillers.
- HVAC plants and sub systems under PVR are being closely monitored and regular PPM is being carried out to ensure less breakdown, increased guest comfort, reduced wear and tear resulting in energy conservation due to maintained efficiency of the complete system.
- Centralised monitoring of all water cooled chiller plants from corporate office.
- Centralised monitoring of Chilled & Condense water parameters implemented in FY 2017-18 on all sites having Chiller high side under PVR scope.
- Installed Electronic water softeners on cooling towers reducing the chemical dosing of cooling tower water to maintain chiller energy efficiency; monitoring from corporate office.
- Effective monitoring of energy consumption from corp. Office to ensure optimal utilisation of energy.
- VFD's are installed on AHU's for energy savings while ensuring guest comfort by using a closed loop temperature feedback for the VFD's. All New/Upcoming Sites will also be equipped with VFD's in FY 2018-19.
- Water Conservation across PVR sites in India is facilitated by Installation of water flow restrictors in wash basin taps across PVR has help reduce tap water consumption by 60% thus reducing the energy consumed in pumping and helping in water conservation. Some of the mall have shown interest towards water conservation and have implemented the same taking help from PVR
- State of art Energy Monitoring, Temperature Monitoring and Fire Hydrant pressure monitoring system. has been implemented at 82 Locations 34 across North India in Phase I, and 48 Sites in west under Phase II in FY 2017-18 this system is a cloud based remote monitoring system, enabling us to become proactive rather than being reactive.
- Building Signage's with LED based technology to save energy and longer life span.

- Poster Windows having FTL's are being replaced with LED based lighting in a phased manner. about 80% of the replacement is done and rest will be covered in FY 2018-19
- AC discipline is being followed to avoid leakage of cooled air/infiltration of hot air.
- V3F Drive equipped Lifts are being used where ever we have them as our own.
- Automatic start stop for the escalators in PVR premisis/ scope has been implemented to avoid idle running of the escalators and thus conserve energy.
- Solar Energy Utilisation for energy conservation by using rooftop solar photovoltaic grid connected system will be piloted in FY 2018-19 at sites available with space on roof. We have taken a proactive step towards Indoor air quality by introducing clean air auditoriums ('Audit-Air-lum') where we have implemented state of the art technology to crub Indoor air pollution by controlling PM2.5 and PM10 to provide cleanest possible air. We are maintaining AQI (Air Quality Index) levels below US standard of 50.
- Clean Air Auditoriums implemented at 4 locations and will be expanded to other locations in a phased manner.

#### (ii) Technology Absorption:

Since the Company has no subsisting Technology Agreement hence not applicable.

#### **Dividend Distribution Policy of PVR Limited**

PVR Limited (the 'Company') has adopted the Dividend Distribution Policy (the 'Policy') of the Company as required in terms of Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'Listing Regulations') on 3<sup>rd</sup> February, 2017.

#### **Effective Date**

The Policy became effective from Febraury 03, 2017.

#### **Purpose, Objectives and Scope**

The Securities and Exchange Board of India ('SEBI') vide its Notification dated July 08, 2016 has amended the Listing Regulations by inserting Regulation 43A in order to make it mandatory to have a Dividend Distribution Policy in place by the top five hundred listed companies based on their market capitalisation calculated as on the 31<sup>st</sup> day of March of every year. Considering the provisions of the aforesaid Regulation 43A, the Board of Directors (the 'Board') of the Company recognises the need to lay down a broad framework for considering decisions by the Board of the Company, with regard to distribution of dividend to its shareholders and/or retaining or plough back of its profits. The Policy also sets out the circumstances and different factors for consideration by the Board at the time of taking such decisions of distribution or of retention of profits, in the interest of providing transparency to the shareholders.

The Policy is not an alternative to the decision of the Board for recommending dividend, which is made every year after taking into consideration all the relevant circumstances enumerated hereunder or other factors as may be decided as relevant by the Board.

Declaration of dividend on the basis of parameters in addition to the elements of this Policy or resulting in amendment of any element or the Policy will be regarded as deviation. Any such deviation on elements of this Policy in extraordinary circumstances, when deemed necessary in the interests of the Company, along with the rationale will be disclosed in the Annual Report by the Board of Directors.

The Policy reflects the intent of the Company to reward its shareholders by sharing a portion of its profits after retaining sufficient funds for growth of the Company. The Company shall pursue this Policy, to pay progressive dividend, subject to the circumstances and factors enlisted hereon, which shall be preferably consistent with the performance of the Company over the years.

#### A. General Policy of the Company as Regards Dividend

The general considerations of the Company for taking decisions with regard to dividend payout or retention of profits shall be as following-

Subject to the considerations as provided in the Policy, the Board shall determine the dividend payout in a particular year after taking into consideration the operating and financial performance of the Company, the advice of executive management including the CFO, and other relevant factors.

#### B. Considerations Relevant for Decision of Dividend Pay-Out

The Board shall consider the following, while taking decisions of a dividend payout during a particular year-

#### Statutory requirements

The Company shall observe the relevant statutory requirements including those with respect to mandatory transfer of a certain portion of profits to any specific reserve such as Debenture Redemption Reserve, Capital Redemption Reserve etc. as provided in the Companies Act, 2013, which may be applicable to the Company at the time of taking decision with regard to dividend declaration or retention of profit.

#### Agreements with lending institutions/Debenture Trustees

The decision of dividend pay-out shall also be affected by the restrictions and covenants contained in the agreements as may be entered into with the lenders of the Company from time to time.

### Extent of realised profits as a part of the IND AS profits of the Company

The extent of realized profits out of its profits calculated as per IND AS, affects the Board's decision of determination of dividend for a particular year. The Board is required to consider such factors before taking any dividend or retention decision.

### Expectations of major stakeholders, including small shareholders

The Board, while considering the decision of dividend payout or retention of a certain amount or entire profits of the Company, shall, as far as possible, consider the expectations of the major stakeholders including the small shareholders of the Company who generally expects for a regular dividend payout.

#### C. Factors That May Affect Dividend Payout External Factors

#### Taxation and other regulatory concern

- Dividend distribution tax or any tax deduction at source as required by applicable tax regulations in India, as may be applicable at the time of declaration of dividend. - Any restrictions on payment of dividends by virtue of any regulation as may be applicable to the Company at the time of declaration of dividend.

#### Product/market expansion plan

The Company's growth oriented decision to conserve cash in the Company for future expansion plan impacts shareholders expectation for the long run which shall have to consider by the Board before taking dividend decision.

#### **Macroeconomic conditions**

Considering the state of economy in the Country, the policy decisions that may be formulated by the Government and other similar conditions prevailing in the international market which may have a bearing on or affect the business of the Company, the management may consider retaining a larger part of the profits to have sufficient reserves to absorb unforeseen circumstances.

#### **Internal Factors**

#### Past performance/reputation of the Company

The trend of the performance/reputation of the Company that has been during the past years determine the expectation of the shareholders.

Working capital management in the Company

The current working capital management system within the Company also impacts the decision of dividend declaration.

#### Age of the Company and its product/market

The age of the Company and its business of Multiplex in which the Company operates will be one of the most significant determining factors to the profitability of the Company and dividend declaration or retention.

#### **D.** Manner of Utilisation of Retained Earnings

The Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The decision of utilisation of the retained earnings of the Company shall be based on the following factors:

- Market expansion plan;
- Modernisation plan;
- Diversification of business;
- Long term strategic plans;
- Other such criteria as the Board may deem fit from time to time.

#### E. Parameters for Various Classes of Shares

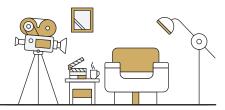

- The factors and parameters for declaration of dividend to different class of shares of the Company shall be same as covered above.
- The payment of dividend shall be based on the respective rights attached to each class of shares as per their terms of issue.
- The dividends shall be paid out of the Company's distributable profits and/or general reserves, and shall be allocated among shareholders on a pro-rata basis according to the number of each type and class of shares held.
- Dividend when declared shall be first paid to the preference shareholders of the Company as per the terms and conditions of their issue.

#### Amendment

To the extent any change/amendment is required in terms of any applicable law, the Managing Director, Chief Financial Officer or Company secretary of the Company shall be jointly/ severally authorised to review and amend the Policy, to give effect to any such changes/amendments.

## Meetings, agenda and proceedings etc of the Board Meeting

The Board of Directors met seven (7) times during the year as follows:

- May 12, 2017
- May 30, 2017
- July 26, 2017
- August 08, 2017
- October 27, 2017
- November 16, 2017
- January 31, 2018

#### **Separate Meeting of Independent Directors:**

As stipulated by the Code of Independent Directors under the companies Act, 2013 and Regulation 25 of SEBI (LODR) Regulations, 2015, a separate meeting of the Independent Directors of the Company was held on 31<sup>st</sup> January, 2018 to review the performance of Non-independent Directors (including the Chairman of the Company) and the Board as whole. The Independent Directors also reviewed the quality, content and timeliness of the flow of information between the Management and the Board and it's Committees which is necessary to effectively and reasonably perform and discharge their duties.

#### Limit on the number of Directorships:

In compliance with Regulation 25(1) of SEBI (LODR) Regulations, 2015, none of the Directors on the Board of the Company serve as Independent Directors in more than 7 listed companies or if serving as a Whole Time Director in any Listed Company, does not hold such position in more than 3 Listed Companies.

#### Agenda:

All the meetings are conducted as per well designed, e-secured agenda. All the agenda items are backed by necessary supporting information and documents (except for the critical price sensitive information, which is circulated at the meeting) to enable the Board to take informed decisions. Agenda also includes minutes of the meetings of all the Board Committees and Subsidiary Companies for the information of the Board. Supplementary agenda in the form of 'Other Business' are included with the permission of the Chairman. E-secured agenda is circulated seven days prior to the Board Meeting. In addition, for any business exigencies, the resolutions are passed by circulation and later placed in the ensuing Board Meeting.

#### **Invitees & Proceedings:**

Apart from the Board members and the Company Secretary, the CFO and CEO, are invited to attend all the Board Meetings. Other senior management executives are called as and when necessary, to provide additional inputs for the items concerning them and discussed by the Board. The CFO makes presentation on the quarterly and annual operating & financial performance. The Managing Director, CFO and other senior executives make presentations on operational health & safety and other business issues. The Chairman of various Committees brief the Board on all the important matters discussed & decided at their respective committee meetings, which are generally held prior to the Board meeting.

#### **Post Meeting Action:**

Post meetings, all important decisions taken at the meeting are communicated to the members of the Board by way of draft minutes for their confirmation/comments within the stipulated time.

#### **Support and Role of Company Secretary:**

The Company Secretary is responsible for convening the Board and Committee meetings, preparation and distribution of Agenda and other documents and recording of the Minutes of the meetings. He acts as interface between the Board and the Management and provides required information and documents etc.

#### Induction and Training of Board Members

On appointment, the concerned Director is issued a Letter of Appointment setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments. Each newly appointed Independent Director is taken through a familiarisation programme including the presentation from the Managing Director & CEO on the Company's marketing, finance and other important aspects. The Company Secretary briefs the Director about their legal and regulatory responsibilities as a Director. The familiarisation programmes for Independent Directors include interactive sessions with Executive Committee Members, Business and Functional Heads, visit to Company's multiplexes etc. On the matters of specialised nature, the Company engages outside experts/consultants for presentation and discussion with the Board members.

#### **Evaluation of Board's Performance**

The Board has in place a mechanism for evaluating its performance as well as that of its Committees and individual Directors, including the Chairman of the Board. The exercise was carried out through a structured evaluation process covering various aspects of the Board's functioning, such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, governance issues etc. Separate exercise was carried out to evaluate the performance of individual Directors including the Board's Chairman who were evaluated on parameters such as attendance, contribution at the meetings and otherwise, independent judgement, safeguarding of minority shareholders interest etc. The evaluation of the Independent Directors was carried out by the entire Board and that of the Chairman and the Non-Independent Directors were carried out by the Independent Directors. The Directors were satisfied with the evaluation results, which reflected the overall engagement of the Board and its Committees with the Company.

#### **Code of Conduct**

The Board has laid down a Code of Conduct for all Board members and senior management of the Company which is available on the website of the Company www.pvrcinemas.com. All Board members and senior management that includes Company's executives' one level below the Board have affirmed compliance with the said Code as per Regulation 26(3) of SEBI (LODR) Regulations, 2015. A declaration signed by the Chairman to this effect is provided elsewhere in the Annual Report.

#### **Prevention of Insider Trading Code**

As per SEBI (Prohibition of Insider Trading) Regulation, 2015, the Company has adopted a Code of Practices and Procedures

for Fair disclosure of Unpublished Price Sensitive Information for Prevention of Insider Trading. All the Directors, employees at Senior Management and other employees who could have access to the unpublished price sensitive information of the Company are governed by this code.

The trading window is closed from time to time including during the time of declaration of results and occurrence of any material events as per the code. The Company has appointed Mr. Pankaj Dhawan, Company Secretary cum Compliance Officer, who is responsible for setting forth procedures and implementation of the code for trading in Company's securities.

#### **Postal Ballot**

No resolution was passed during the FY 2017-18 through Postal Ballot.

#### **Means of Communication**

The Company interacts with its shareholders through multiple forms of corporate and financial communication such as annual reports, result announcement which includes quarterly, half-yearly and annual financial results and media releases. The financial results are also made available at the website of the Company www. pvrcinemas.com. The website also displays official news releases.

**Communication to shareholders on email:** Documents like Notices, Annual Reports, ECS advices for dividends, etc. were sent to the shareholders at their email address, as registered with their Depository Participants/Company/Registrar and Transfer Agents (RTA). This helped in prompt delivery of document, reduce paper consumption, save trees and avoid loss of documents in transit. **NEAPS (NSE Electronic Application Processing** system) and BSE Corporate Compliance & Listing Centre: NSE and BSE have developed web based applications for corporates. All compliances like Financial Results, Shareholding Pattern and Corporate Governance Report, etc. are filed electronically on NEAPS/BSE Listing centre.

**SCORES (SEBI Complaints Redressal System):** SEBI processes investor complaints in a centralised web based Complaints Redressal System i.e. SCORES. Through this system a shareholder can lodge complaint against a Company for his grievance. The Company uploads the action taken on the complaint which can be viewed by the shareholder. The Company and shareholder can seek and provide clarifications online through SEBI.

**Exclusive email ID for investors:** The Company has designated the email id investorrelations@pvrcinemas.com exclusively for investor servicing.

#### Consolidation of folios and avoidance of multiple mailing

In order to enable the Company to reduce costs and duplicity of efforts for providing services to investors, members who have more than one folio in the same order of names, are requested to consolidate their holdings under one folio. Members may write to the Registrars & Transfer Agents indicating the folio numbers to be consolidated along with the original shares certificates to be consolidated.

#### Service of documents through Email

In terms of provisions of Companies Act, 2013 service of documents on members by a Company is allowed through electronic mode. Further, as per Listing Regulations, Listed Companies shall supply soft copies of full annual reports to all those shareholders who have registered their e-mail addresses for the purpose. Accordingly, the Company proposes to send documents like shareholders meeting notice/other notices, Audited Financial Statements, Director's Report, Auditor's Report or any other document, to its members in electronic form at the email address provided by them and/or made available to the Company by their depositories. This will definitely help prompt receipt of communication, reduce paper consumption and save trees as well as avoid loss of documents in transit.

Members who have not yet registered their email id (including those who wish to change their already registered email id) may get the same registered/updated either with their depositories or by writing to the Company.

#### **Share Transfer System**

All share transfer and other communications regarding share certificates, change of address, dividends, etc should be addressed to Registrar and Transfer Agents.

Share Transfer Committee is authorised to approve transfer of shares in the physical segment. The Committee has delegated authority for approving transfer and transmission of shares and other related matters to the officers of the Company. Such transfers take place on weekly basis. A summary of all the transfers/transmissions etc. so approved by officers of the Company is placed at every Committee

Meeting. All share transfers are completed within statutory time limit from the date of receipt, provided the documents meet the stipulated requirement of statutory provisions in all respects. The Company obtains from a Company Secretary in practice half yearly certificate of compliance with the share transfer formalities as required under Regulation 40(9) of the Listing Regulations, and files a copy of the same with the Stock Exchanges.

#### **Reconciliation of Share Capital Audit**

S Anand SS Rao, an Independent firm of practicing Company Secretary, carries out the Reconciliation of Share Capital Audit as mandated by SEBI, and reports on the reconciliation of total issued and listed Capital with that of total share capital admitted/ held in dematerialized form with NSDL and CDSL and those held in physical form. This audit is carried out on quarterly basis and the report thereof is submitted to the Stock Exchanges, where the Company's shares are listed.

#### **Compliance with Secretarial Standards**

The Institute of Company Secretaries of India, a Statutory Body, has issued Secretarial Standards on various aspects of corporate law and practices. The Company has complied with each one of them.

The Board of Directors assesses BR performance annually. CEO and Committees of the Board under whom relevant issues lie, assess performance every quarter.
- b) Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

Your Company publishes its Business Responsibility Report as part of its Annual Report. The disclosures for FY 2017-18 are included in this annual report and can be accessed at \_\_\_\_ www.pvrcinemas.com

#### Section E: Principle-wise Performance

**Principle 1:** 

Ethics, Transparency & Accountability

 Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs Others? The Company's policy on Ethics, Transparency and Accountability along with the Code of Conduct, is applicable to all individuals working in the Company including its Directors and others in the PVR Group Companies. The Company encourages its business partners to follow the code by extending certain statutes in the contracts and MoUs that PVR signs with its various contractors, suppliers, partners etc.  How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

#### **Principle 2:**

Products Lifecycle Sustainability

- List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.
  - i. Cinema Exhibition
  - ii. Food and Beverage
- For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):
  - Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?

Production of movies happens at the Producers' end. Sourcing and distribution happens as digital content and hence there is no material utilisation of energy, water, raw material etc.  Reduction during usage by consumers (energy, water) has been achieved since the previous year?

PVR undertakes numerous initiatives to ensure that our operations are sustainable. During the year gone by, the initiatives undertaken were:

- i. Energy and Water Conservation
- ii. In a first, Indoor air quality is being maintained by introducing clean air auditoriums ('Audit-Air-lum') where we have implemented stateof-the-art technology to curb Indoor air pollution by controlling PM2.5 and PM10 to provide cleanest possible air. We are maintaining AQI (Air Quality Index) levels below US standard of 50. Clean Air Auditoriums have been implemented at 4 locations and will be expanded to other locations in a phased manner.
- Safety & Security is one of the most material aspects of our business. PVR lays great emphasis in this area as we are responsible for the safety and security of a large number of people on a daily basis.
  - Under overall Security, we have tied up with International Institute of Management of Security & Safety Delhi for training for all key security personnel.
  - Promax is conducting the global fire life safety & first-aid certified training for all sites.
  - External and internal Audits are being done on fire safety, by Ahuja's third party fire life safety & thermography audits.
  - Post audits, specific closures and preventive/ corrective actions have been put in place.

#### **Results of Energy Conservation Initiatives**

|                   | FY 2017-18 | FY 2016-17 | FY 2015-16 | FY 2014-15 |
|-------------------|------------|------------|------------|------------|
| Electricity saved | 1.45%*     | 2.47%*     | 3.1%*      | 5.11%*     |
| Cost saving ₹     | ₹ 1.90     | ₹2.69      | ₹ 3.34     | ₹ 3.28     |
|                   | crores     | crores     | crores     | crores     |
| No. of screens    | 625        | 579        | 516        | 464        |

\*In the first year, the saving has been more on account of obvious measures that were implemented; in subsequent years the saving has reduced as the measures were improvements upon the earlier years. It may also be noted that our footprint has grown by 35% during the period and cinema technology in our cinemas is at par with the global best.

- 3. Does the Company have procedures in place for sustainable sourcing (including transportation)?
- If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

Owing to the nature of its business, PVR's vendor and supplier base consists of various categories of Vendors & Suppliers that are categorised as follows:

- Category A: 20% of our vendors constitute cinema equipment providers from companies like Dolby, Imax Corporation Canada, Christie Duo, Scrabble Entertainment, Barco, etc. These are world renowned names that align to the highest global best practices of responsible business.
- **Category B:** Another 30% constitute Film distributors and Mall Owners. While Film production and distribution is a business that is governed by its own specific concerns that are different from other businesses; most Mall owners are big construction companies that themselves have to fulfill their respective sustainability criterion for the Construction sector.
- Category C: About 30% are large and reputed companies in India and overseas that deal in fittings and furnishings used in our cinemas, as well as contractors and architects.
- Category D: Medium to small enterprises in India.

Therefore, approximately 70% of our supply chain is aligned to Sustainable business practices; for the balance, we will be undertaking Supply Chain assessment in a phased manner in coming years.

4. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The nature of PVR's business is such that the bulk of our vendor selection decisions are based on technology supremacy and we are therefore bound by those considerations. However, lower down in our value chain, we have explored options of not just sourcing from local and small producers but also developing entrepreneurial capabilities among the marginalised communities. In addition, we are also expanding our footprint to smaller cities; thereby creating employment opportunities in smaller towns and cities.

5. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so. We have evaluated various options of recycling solutions to the kind of waste we generate. We are in advanced talks with a few organisations that have innovative solutions for waste management and will soon be undertaking pilot studies to evaluate options.

#### **Principle 3:**

Employee's Well-being

### Principle 4:

Stakeholder Engagement:

1. Has the Company mapped its internal and external stakeholders?

PVR recognises existing and prospective customers, employees, shareholders, investors and regulatory authorities, media, public at large as its stakeholders.

2. Out of the above, has the Company identified the disadvantaged, vulnerable & marginalised stakeholders. PVR has identified underprivileged communities around its business locations as disadvantaged, vulnerable and marginalised stakeholders. PVR continuously engages essentially with 'Children at Risk' through its CSR programme. In addition, PVR has also identified People with Disability as disadvantaged, vulnerable & marginalised stakeholders and is working on an extensive plan to make its cinemas accessible to people with mobility, hearing/speech and visual impairment that constitute more than 65% of India's total differently-abled population. The Company has put a plan in place that will be executed in the next financial year to invest in assistive technologies and equipment to enable people with disability to enjoy movies.

It also undertakes Environment Conservation, health and sanitation programmes.

#### **Principle 5:**

Human Rights

1. Does the policy of the Company on human rights cover only the Company or extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs/Others?

PVR, follows its policy on Human Rights which is applicable to all across the Company. For its subsidiaries, the policy is applicable in line with the local requirements prevailing in the country of operation. PVR discourages dealing with any supplier/contractor if it is in violation of human rights and also prohibits the use of forced or child labour at any manufacturing units/with business associates.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

No complaint has been received pertaining to human rights violation.

#### **Principle 6:**

Environment

1. Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/ Suppliers/Contractors/NGOs/others.

The Company follows its policy on Environment Protection which is applicable to all its business places. For the subsidiaries, the policy is applicable in line with the local requirements prevailing in the country of operation. However, the same is not applicable to suppliers and contractors. 2. Does the Company have strategies/initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyperlink for webpage etc.

We recognise global environmental issues as very real threats and have undertaken numerous initiatives in this area:

- Awareness creation among PVR employees about the benefits of energy conservation.
- Innovative Idea sharing and successful implementation across all the sites is recognised and rewarded.
- A Certified Energy Auditor and Manager has been brought on board to supervise and implement energy conservation measures. External consultants have been appointed to provide energy saving measures over and above the existing system in the areas of optimising energy usage, lux level of various areas, design aspects of Electrical and HVAC systems etc. This enables equipment efficiency conservation of energy.
- Audit of equipment under Mall Management that services PVR and other tenants is done on a regular basis, in order to identify inefficiencies and suggest operational and equipment change to reduce wastage of energy. Malls have also come forward and approved Energy auditing by 3<sup>rd</sup> party to identify inefficiencies at their end at a cost born by PVR.
- Power factor is maintained above 0.98 with the help of APFCs to ensure that the reactive power in the system remains as low as possible. As a result rebates from the power supply companies are being received in electrical bills.
- Load optimisation is being done by following switching On/Off procedure with the help of timers to ensure optimisation. In areas with intermittent usage, Mechanical Timers are being implemented, which also help in ensuring safety against fire due to long un-attended over usage and helps in energy conservation.
- Occupancy Sensors have been installed in washrooms to save energy by reducing the lighting load to minimum by switching off lights when washrooms are unoccupied.
- Major lighting has been replaced with LED lights using retrofits in existing locations. Upcoming sites are primarily using LED.
- New and efficient Screw Chillers have been installed at locations giving energy savings.
- HVAC plants and sub systems under PVR are being closely monitored and regular PPM is being carried out to ensure decreased breakdown, increased guest comfort, reduced wear and tear; resulting in energy conservation due to maintained efficiency of the complete system.

- Centralised monitoring of all water cooled chiller plants is being done from corporate office.
- Centralised monitoring of chilled & condensed water parameters was implemented in FY 2017-18 at all sites having Chiller high side under PVR scope.
- Electronic water softeners have been installed on cooling towers, thereby reducing the chemical dosing of cooling tower water to maintain chiller energy efficiency; monitoring is taking place.
- Effective monitoring of energy consumption to ensure optimal utilisation of energy.
- VFDs have been installed on AHU's for energy savings while ensuring guest comfort by using a closed loop temperature feedback for the VFD's. All New/Upcoming Sites to be equipped with VFDs in FY 2018-19.
- Water Conservation across PVR sites has been facilitated by Installation of water flow restrictors in wash basin taps. This has helped in reducing tap water consumption by 60% thus reducing the energy consumed in pumping and helping in water conservation. Some of the Malls in which we have our cinemas have also shown interest towards water conservation and have implemented the same with our assistance.
- State-of-the-art Energy Monitoring, Temperature Monitoring and Fire Hydrant pressure monitoring systems are in use at 82 Locations 34 across North India in Phase I, and 48 Sites in West under Phase II in FY 2017-18 this system is a cloud-based remote monitoring system, enabling us to become proactive rather than being reactive.
- Building Signages are fitted with LED-based technology to save energy and longer life span.
- 80% Poster Windows have FTLs replaced with LED-based lighting; rest to be in FY 2018-19.
- AC discipline is being followed to avoid leakage of cooled air/infiltration of hot air.
- All PVR owned lifts are V3F Drive equipped.
- Automatic start/stop for the escalators in PVR premises/ scope implemented to avoid idle running of the escalators and thus conserve energy.
- Indoor air quality is being maintained by introducing clean air auditoriums ('Audit-Air-lum') where we have implemented state of the art technology to curb Indoor air pollution by controlling PM2.5 and PM10 to provide cleanest possible air. We are maintaining AQI (Air Quality Index) levels below US standard of 50. Clean Air Auditoriums implemented at 4 locations and will be expanded to other locations in a phased manner.

3. Does the Company identify and assess potential environmental risks? Y/N

PVR identifies and assesses potential environmental risks with respect to its business and takes appropriate measures to ensure we minimise our adverse impact on the environment.

- Does the Company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed? No, PVR has not registered any project to Clean Development Mechanism.
- 5. Has the Company undertaken any other initiatives on clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc. In addition to the initiatives mentioned in the response to Question 3, we are exploring possibilities to Purchase Renewable power from private power producers under PPA (Power purchase agreement), contributing towards Green Initiative. With every energy audit, efforts have been made to install tube lights and other electrical equipment which save energy consumption.
- 6. Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported? Not applicable. We are a Film Exhibition Company and have no harmful emissions emitted during screening of our films.
- Number of show cause/legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year. NIL

#### **Principle 7:**

  - b) National Association of Motion Pictures & Exhibitors (NAMPE)
  - c) Federation of Karnataka Chambers of Commerce & Industry (FKCCI)
  - d) FICCI Multiplex Association of India (FICCI-MIA)
  - e) Retailers Association of India (RAI)
  - f) National Association of Theatre Owners (NATO)
- Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others) PVR is part of various task forces and forums within the above listed industrial and trade bodies. We actively participate in

these forums on issues and policy matters that impact the interest of our stakeholders. We prefer to be part of the broader policy development process and do not participate lobbying on any specific issue. In the past, we have participated in forums pertaining to:

- Corporate Governance
- Consumer Interest
- Tackling Counterfeiting

Off-late PVR is also focusing on extending Cinema viewing to people with disabilities. PVR recognises that 2.1% of India's population is differently-abled as per Census 2011. PVR is working towards working out an extensive programme towards making its Cinemas friendly for people with disabilities by introducing Closed Captioning, Audio Description and infrastructural accommodations for people with Visual, Hearing and Mobility impairment. We are working closely with various relevant Ministries to help this possible. By doing so, we hope to influence policy in favour of accessible entertainment for people with disability.

#### **Principle 8:**

Inclusive Growth

1. Does the Company have specified programmes/ initiatives/projects in pursuit of the policy related to Principle 8? If yes, details there of.

#### Programmes under Education Childscapes

With a sophisticated learning culture embraced with entertainment, age-appropriate curriculum and sports as keen tools; PVRNest has formulated its flagship project – 'Childscapes' to bring about the proposed change for children at risk. With astute focus on a 360-degree well-being and developmental approach through education, nutrition, healthcare and rehabilitation; National Commission for Protection of Child Rights (NCPCR) and PVR NEST conduct workshops basis its association with several esteemed organisations like Delhi Commission for Protection of Child Rights (DCPCR), Department of Women and Child Development (DWCD), HAQ, Jamghat, Dusty Foot Foundation, Pratham, Indus Action, Art for Play Foundation, Society for Promotion of Youth and Masses (SPYM), Jodo Gyan, Tarkeybein, Salaam Baalak Trust and other non-governmental institutions. Operating out of 12 Childscapes Centres established across the capital, PVR NEST reaches out to around 2,000 children on a daily basis with an aim to work on the overall development of children at risk.

#### **Right to Education**

The initiative under education, PVR Nest and Indus Action are working towards promoting RTE 12 (1) (c) enabling the most vulnerable children get access to education that is rightfully theirs. So far 159 children have been admitted to the private schools of Delhi with the help of 75 childscapes community mothers. The project is being implemented pan India in Chhattisgarh, Tamil Nadu, Uttarakhand, Madhya Pradesh, Karnataka and Delhi.

#### Scholarship for Excellence and Academics

Furthermore, PVR Nest also has a Scholarship for Excellence and Academics programme (SEA), which is an educational initiative that provides full scholarships to students from areas that are infrastructurally disadvantaged due to geography or history of India to the most appropriate schools of the highest standard. At present the grants are being given to 14 Students from Pan India.

#### Setting up Computer Lab

PVR Nest recently set up a computer lab consisting of 15 computers along with a wall-mounted smart board at one of our community schools – Little Ones Public School (LOPS). The aim is to provide digital learning tools to teachers and students to support the attainment of the common core content standards (of mainstream), benchmarks and New-age skills. Through this, we will be able to impact 250 students and 12 teachers; empowering them and also enhancing their literacy skills via technology. This in turn would enrich the overall experience of a child, generating enthusiasm and a more positive learning environment for students.

Joy of reading campaign and Book Donation Drive:- PVR Nest. in association with Katha, DLF and PVR Cinemas in Delhi-NCR held a book donation drive wherein we encouraged people and movie-goers to donate books. The books from the donation were further used to set up community libraries in 5 of our Childscape centres.

## Programmes under Protection of National Heritage, art and culture:

#### CineArt

Under its ambit of societal development initiatives, PVR Nest runs a very unique programme called CineArt. It is the largest film education programme in India promoting an experiential learning approach where PVR NEST works with eminent filmmakers and experts from all walks of life like statesmen, diplomats, policymakers, intellectuals, scientists, jurists, writers, artists and members of civil society initiate the exchange of new ideas and knowledge in the spirit of developmental cooperation.

#### Programmes under Women Empowerment

#### She's Ambassador Program

Having proven success of its initiatives, the CineArt programme has touched the lives of as many as 2,00,000 students with 1,000 workshops in 200 schools. It recently completed the 'She's Ambassador programme' in association with Mumbai Obstetrics and Gynaecological Society (MOGS), a health and hygiene educational programme reaching out to 50,000 BMC school girls across 50 BMC schools generating a brigade of 200 health ambassadors, who made 5 original short films on different themes which were showcased to our 8 crores PVR consumers. The programme was designed to develop leadership skills and increase health awareness among girls in aligning with the aim of reducing the consequences of low health literacy, through interactive, participatory and filmmaking sessions.

The programme culminated in Mumbai and was graced by the presence of luminaries like Ms. Sonam Kapoor, Ms. Twinkle Khanna, Ms. Niharika Bijli, Ms. Priya Dutt and Dr. Nandita Palshetkar.

#### Programmes under Environment, Health and Sanitation: PINK Toilets

Government organisations including National Protection For Protection of Child Rights (NCPCR), South Delhi Municipal Corporation (SDMC), Delhi Commission for Protection of Child Rights (DCPCR) and Department of Women & Child Development (DWCD), have come together to invest their time and resources in building smart toilets called 'Pink Toilets' around PVR Complexes, where PVR Nest is the maintenance partner for the same. The partnership involves maintaining three 'Pink toilet' compounds around PVR complexes at Vikaspuri, Anupam Complex and Vasant Vihar. The inauguration of the toilet compound took place on April 24, 2018 (Tuesday) at PVR Anupam, New Delhi.

Under our Green City Initiative, we identify ways to Adapt & Adopt environmental friendly solutions around PVR Cinemas. The government organisation, South Delhi Municipal Corporation (Horticulture) has improved the condition of 12 under flyover areas and converted them into parks. Earlier, there were encroachments by way of parking of vehicles, night shelters as well as home to all anti-social elements. Beautifying of Africa Avenue under Flyover (outer- ring road) was directed by the Hon'ble Lieutenant Governor of Delhi, supporting the Swachh Bharat Abhiyan launched by Hon'ble Prime Minister Mr. Narendra Modi with an investment of ₹ 94.00 lacs with plants, bollard light fittings and sculptures. The length of the developed park is 190.00metres and at a distance of approx 3 km from PVR Sangam and PVR Priya cinema. PVR Nest is the maintenance partner of this park where the department would continue to support us by providing water, electricity, plants and equipment for the maintenance of this space. This is the first time ever the government has originated an association with a corporate for a social initiative to care for Delhi's environment. Their belief in us and their support has been the foundation for this entire venture and we are extremely excited about it.

# 2. Are the programmes/projects undertaken through inhouse team/own foundation/external NGO/government structures/ any other organisation?

PVR Nest, the CSR arm of PVR, conducts various programmes through its partner NGOs. For some projects, we have also worked with local government bodies.

- 3. Have you done any impact assessment of your initiative? So far we have not conducted any formal impact assessment.
- What is your Company's direct contribution to community development projects (Amount in ₹ and the details of the projects undertaken)

As per Section 135 of the Company's Act 2013, we are required to spend 2% of Net average profits of the last three years, which amounts to ₹ 2.32 crores. However, PVR's societal well being programmes go far beyond compliance. Our programmes started more than a decade back and we continue to support and grow our work beyong compliance.

# 5. Have you taken steps to ensure that this community development initiative is successfully adopted by the members of the community?

Out-of-school children can only be reached with targeted interventions that address the range of barriers faced by marginalised children, and innovative interventions targeting out-of-school children. PVR Nest has developed multipronged strategies to raise awareness within the community and ensures that the Community is totally involved and takes ownership of the programmes. Some of the examples being:

- Access to Education through emerging Non-formal Education Centres of PVR Nest – the first step adopted within the community. PVR Nest created 5 centres which are Community-based Education Centres (CBEC).
- Partnership with traditional storytellers to build the 'Listen to Learn' programme. Community mothers were invited to understand the importance of learning from home.
- C-Cube Fellowship Programme in association with community mothers to educate them about the Right to Education Act.
- Right to Education Campaign launch in association with Indus Action to build awareness and bring access to communities to private school.
- PVR Nest adopted Pratham's (Combined Activities for Maximised Learning) (CAMaL–meaning wonder) to evolve teaching reading, writing, and math with children in disadvantaged communities.

#### **Principle 9:**

Post the CSAT survey, the following initiatives have been taken based on customer feedback received:

Few Improvements undertaken:

- Convenience of making the payments was drastically improved
- Redefining the PVR app basis the feedback received on Speed of booking
- 3D Glass was change and the way of cleaning the glass and packaging was changed
- New F&B items were introduced after the feedback from the consumer
- Menu board clarity has been worked upon by Mkt team
- Cleanliness in the premises has significantly improved after the continuous feedback

The touch points that we cover from experience point of view are primarily Box Office, Security, Cinema Lobby, Washroom, Auditorium and F&B. Currently, these surveys are conducted by TNS global market research Company.

# Independent Auditor's Report

#### To the Members of PVR Limited

#### Report on the Audit of the Standalone Ind AS Financial Statements

We have audited the accompanying Standalone Ind AS Financial Statements of PVR Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Ind AS Financial Statements').

#### Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the state of affairs, profit (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these Standalone Ind AS Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the Standalone Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS Financial Statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on these Standalone Ind AS Financial Statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2018, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

### Annexure B to the Independent Auditor's Report of even date on the Standalone Ind AS Financial Statements of PVR Limited

# Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls with reference to the Standalone Ind AS Financial Statements of PVR Limited ('the Company') as of 31 March 2018 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

## Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with respect to the Standalone Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Standalone Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Standalone Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Standalone Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to the Standalone Ind AS Financial Statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the Standalone Ind AS Financial Statements.

# Meaning of Internal Financial Controls with reference to the Standalone Ind AS Financial Statements

A Company's internal financial control with reference to the Standalone Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the Standalone Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

#### Inherent Limitations of Internal Financial Controls with reference to the Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Standalone Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Standalone Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the Standalone Ind AS Financial Statements and such internal financial controls with reference to the Standalone Ind AS Financial Statements were operating effectively as at 31 March 2018, based on the internal control with reference to the Standalone Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note:

- Statement of Cash flow has been prepared under the indirect method as set out in the Ind AS 7 'Statement of Cash flows'

- During the year, the Company paid in cash ₹ 232 lakhs (March 31, 2017: ₹ 185 lakhs) towards corporate social responsibility (CSR) expenditure (Refer note 39).

- Amendment to Ind AS 7: Effective 1 April 2017, the Company adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of these standalone financial statements to evaluate change in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. Reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities arising from financing activities is as below:

#### 2 Significant accounting policies

#### 2.1 Basis of preparation

#### (a) Statement of compliance

These standalone financial statements comply with Indian Accounting Standards ('Ind AS') as prescribed under section 133 of the Companies Act, 2013 (the 'Act'), read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, relevant provisions of the Act and other accounting principles generally accepted in India. The Company had adopted Ind AS with effect from April 1, 2016, with transition date of April 1, 2015, pursuant to notification issued by Ministry of Corporate Affairs dated February 16, 2015, notifying the Companies (Indian Accounting Standard) Rules, 2015.

These standalone financial statements for the year ended March 31, 2018 are approved by the Audit Committee and Board of Directors on May 04, 2018.

#### (b) Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

#### (c) Basis of Measurement

These standalone financial statements have been prepared on an accrual basis and under the historical cost convention, except for the following assets and liabilities which have been measured at fair value:

 Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments, refer note 2.2(v))

#### (d) Critical accounting estimates and judgements

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about significant areas of estimation and judgements in applying accounting policies that have the most significant effect on the standalone financial statements are as follows:

- Note 2.2 (p) (iii) and 31 measurement of defined benefit obligations: key actuarial assumptions;
- Note 2.2 (b),(c), (d), 3 and Note 4 measurement of useful life and residual values of property, plant and equipment and useful life of intangible assets;
- Note 35 Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy;
- Note 2.2 (u) judgement required to determine ESOP assumptions;
- Note 2.2 (p) judgement required to determine probability of recognition of current tax, deferred tax assets and MAT credit entitlement; and
- Note 2.2 (v)- fair value measurement of financial instruments.

There are no assumptions and estimation that have a significant risk resulting in a material adjustment within the next financial year.

#### 2.2 Summary of Significant accounting policy

#### (a) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it satisfies any of the following criteria:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period;, or

All other assets are classified as non-current.

A liability is current when it satisfies any of the following criteria:

# Notes

to the financial statements for the year ended March 31, 2018

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period;, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as noncurrent.

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle for the purpose of classification of assets and liabilities as current and non-current.

#### (b) Property, plant and equipment (PPE)

#### (i) Recognition and Measurement:

PPE and Capital work in progress (including Pre-operative expenses) are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price (net of trade discounts, rebates and refundable taxes) and any directly attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition or construction of PPE which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready for their intended use. Leasehold improvements represent expenses incurred towards civil works, interior furnishings, etc. on the leased premises at various cinema locations.

Expenditure directly relating to construction activity are capitalised. Indirect expenditure incurred during construction period is capitalised as part of the indirect construction cost to the extent expenditure is directly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period, which is not related to the construction activity nor is incidental thereto is charged to the Statement of Profit and Loss. Expenses those are capitalised are considered as preoperative expenses and are disclosed under capital work-in-progress.

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of profit and loss when the asset is derecognised.

The Company identifies any particular component embedded in the main asset having significant value to total cost of asset and also a different life as compared to the main asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed at each financial year end and adjusted prospectively, if appropriate.

Cost of PPE not ready for it's intended use as at the reporting date is disclosed as Capital work-inprogress.

#### (ii) Subsequent expenditure:

Subsequent expenditure on additions and betterment of operational properties are capitalised, only if, it is probable that the future economic benefits associated with the expenditure will flow to the Company and expenditures for maintenance and repairs are charged to statement of Profit and loss as incurred.

#### (iii) Transition to Ind AS

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 01, 2015, measured as per the previous GAAP and use that carrying value as the deemed cost of such property, plant and equipment.

### (c) Depreciation on Property, plant and equipment (PPE)

Depreciation is calculated on cost of items of PPE less their estimated residual values over their useful lives using Straight-line method. Estimated useful life of the assets are generally in line with the useful lives as prescribed under Part C of Schedule II to the Companies Act, 2013 except in the following cases, where the management based on technical and internal assessment considers life to be different than prescribed under Schedule II. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

| Particulars            | Useful life as<br>per Schedule II<br>(in years) | Management<br>estimate of<br>Useful life (in |
|------------------------|-------------------------------------------------|----------------------------------------------|
| Concession equipment's | 15                                              | years)                                       |
| Gaming equipment's     | 15                                              | 13.33                                        |
| Furniture & fixtures   | 8                                               | 5 to 10.53                                   |
|                        |                                                 | 5 10 10.55                                   |
| Vehicles               |                                                 | 5                                            |
| LCD's                  | 5                                               | 4                                            |

The Company has estimated the residual value @ 5% of original cost for all assets except for sound and projections equipment's which are taken @ 10% of original cost based on technical assessment done by management.

Leasehold improvements are amortised on a straight-line basis over the total period of lease including renewals or unexpired period of lease, whichever is shorter.

Assets under finance leases are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of lease term.

Depreciation on addition (disposal) is provided on a pro-rata basis i.e from (upto) the date on which assets is ready for use (disposed off). Further, depreciation includes accelerated depreciation of ₹ 520 lakhs on account of change in estimate of useful lives of property, plant and equipment resulting from cinema closure earlier than planned or due to renovation.

#### (d) Intangible assets

#### (i) Recognition and Measurement:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

#### (ii) Subsequent Expenditure:

Subsequent expenditure is capitalised only when it increase the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in the statement of profit or loss as incurred.

#### (iii) Transition to Ind AS

The Company had elected to continue with the carrying value of all of its intangible assets using the transition provisions of Ind AS, measured as per the previous GAAP and use that carrying value as the deemed cost of such intangible assets.

#### (iv) The useful life and the basis of amortisation and impairment losses are as under:

#### a. Software

Cost relating to purchased software and software licenses are capitalised and amortised on a straightline basis over their estimated useful lives of 6 years.

#### b. Goodwill

Goodwill on acquisitions is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Goodwill is allocated to cashgenerating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes.

#### c. Film Right's

The intellectual property rights acquired/ created in relation to films are capitalised as film rights. The amortisation policy is as below:

- (a) In respect of films which have been co-produced /co owned/acquired and in which the Company holds rights for a period of 5 years and above as below:
  - 60% to 80% of the cost of film rights on first domestic theatrical release of the film based on the management estimates. The said amortisation relates to domestic theatrical rights, international theatrical rights, television rights, music rights and video rights etc.

In case these rights are not exploited along with or prior to their first domestic theatrical release, proportionate cost of such right is carried forward to be written off as and when such right is commercially exploited

### Notes to the financial statements for the year ended March 31, 2018

or at the end of 1 year from the date of first domestic theatrical release, whichever occurs earlier.

- Balance 40% to 20% is amortised over the remaining license period based on an estimate of future revenue potential subject to a maximum period of 10 years.
- (b) In respect of films, where the Company holds rights for a limited period of 1 to 5 years, entire cost of movies rights acquired or produced by the Company is amortised on first theatrical release of the movie. The said amortisation relates to domestic theatrical rights, international theatrical rights, television rights, music rights and video rights and others.

In case these rights are not exploited along with or prior to the first domestic theatrical release, proportionate cost of such right is carried forward to be written off as and when such right is commercially exploited or at the end of 1 year from the date of first theatrical release, whichever occurs earlier.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

#### (e) Borrowing Costs

Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed in the statement of profit and loss as incurred.

#### (f) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment loss, if any is recognised in the statement of profit and loss.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

#### (g) Investment

Investment in subsidiaries are carried at cost as per IndAS 27 in the standalone financial statements. Investment accounted for at cost is accounted for in accordance with Ind AS 105 when they are classified as held for sale and Investment carried at cost is tested for impairment as per Ind AS 36.

#### (h) Inventories

Inventories are valued as follows:

#### (a) Food and beverages

Lower of cost and net realisable value. Cost is determined on weighted average basis.

#### (b) Stores and spares

Lower of cost and net realisable value. Cost is determined on First In First Out (FIFO) basis.

Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition;

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

The comparison of cost and Net realisable value is made on an item-by-item basis.

### (i) Leases

### (i) Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

For arrangements entered into prior to April 01, 2015, the Company has determined whether the arrangement contains lease on the basis of facts and circumstances existing on the date of transition.

### (ii) Assets held under lease

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

### (iii) Lease payments

Payments made under operating leases are generally recognised in the statement of profit and loss on a straight line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase.

Payments made under finance lease are allocated between the outstanding liability and finance cost. The finance cost is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

### (j) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company, and the revenue can be reliably measured regardless of when the payment is being made. Revenue excludes goods and service tax, sales tax and entertainment tax which are collected by the Company on behalf of the Government and deposited to the credit of respective Governments.

GST has been implemented with effect from July 01, 2017 which replaces Entertainment tax, Service tax and other indirect taxes like Sales tax and Value added taxes. As per the requirement of IndAS 18, revenue is reported net of applicable taxes. The following specific recognition criteria must also be met before revenue is recognised:

# i Income from sale of movie tickets (Box office revenue)

Revenue from sale of movie tickets is recognised as and when the film is exhibited.

### ii Sale of Food and Beverages

Revenue from sale of food and beverages is recognised upon passage of title to customers, which coincides with their delivery to the customer.

### iii Revenue from Gift vouchers

The amount collected on sale of a gift voucher is recognised as a liability and transferred to revenue when redeemed or on expiry.

### to the financial statements for the year ended March 31, 2018

### iv Income from Movie production

Revenues from film produced, co –produced/co -owned are accounted for based on the terms of the agreement.

### v Advertisement Revenue

Advertisement revenue is recognised as and when advertisement are displayed at the cinema halls and in accordance with the term of the agreement.

### vi Management Fee

Revenue is recognised on an accrual basis in accordance with the terms of the relevant agreements.

#### vii Convenience Fee

Convenience fee is recognised as and when the movie tickets are sold on digital platforms. Further, in case of fixed contracts with digital ticketing partners, revenue is recognised on accrual basis in accordance with the terms of the agreement.

### viii Rental and Food court Income

Rental Income is recognised on accrual basis for the period the space in cinema and food court is let out under the operating lease arrangement.

### ix Gaming Income

Revenue from gaming is recognised as and when the games are played by customers.

### x Virtual Print Fees Income

Revenue is recognised on an accrual basis in accordance with the terms of the relevant agreements.

#### xi Interest Income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

### xii Dividend Income

Dividend Income is recognised when the Company's right to receive dividend is established, which is generally when shareholders approve the dividend.

### (k) Government Grant

Grants and subsidies from the government are recognised when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with. When the grant or subsidy relates to an expense item, it is recognised as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Similarly, where the grant relates to an asset, it is recognised as deferred income and released to income in equal istallments over the expected useful life of the related assets.

### (I) Foreign currency transaction and translations Transactions and balances

Transactions in foreign currencies are initially recorded in functional currency's spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies remaining unsettled are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in statement of profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

### (m) Business Combination and Goodwill

Business combinations are accounted for using the acquisition method. At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

 Liabilities or equity instruments related to share based payment arrangements of the acquiree or share
 based payments arrangements of the Company entered into to replace share-based payment arrangements of the acquiree are measured in accordance with Ind AS 102 Share-based Payments at the acquisition date;

- Assets (or disposal Company's) that are classified as held for sale in accordance with Ind AS 105 Non-current Assets Held for Sale and Discontinued Operations are measured in accordance with that standard; and
- Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

When the Company acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss or Other comprehensive income, as appropriate.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognised in profit or loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and subsequent its settlement is accounted for within equity.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Company re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through Other comprehensive income.

As a result from business combination the Company as whole has gained synergies relating to increase in revenue, decrease of certain operational cost and effective vendor negotiation. The Company as a whole is considered as a CGU, and there are no other CGU's identifiable to which Goodwill from business combinations is allocated.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

Where goodwill has been allocated to a cash-generating unit and part of the operation within that unit is disposed off, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

### (n) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

to the financial statements for the year ended March 31, 2018

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the standalone financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuer's are involved for valuation of significant assets, liabilities, such as ESOP, Gratuity etc.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the

basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

 Financial instruments (including those carried at amortised cost) (note 2.2(v))

### (o) Employee benefits

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans.

The Company has the following employee benefit plans:

### i Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services is provided. A liability is recognised for the amount expected to be paid e.g. under shortterm cash bonus, incentives, if the Company has a present legal or constructive obligation to pay this amount as a result of past services provided by the employee, and the amount of obligation can be estimated reliably.

### ii Defined contribution Plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as expenditure, when an employee renders service.

### iii Defined Benefit Plan

Gratuity is a defined benefit obligation. The Company has approved gratuity funds managed with ICICI Prudential Life Insurance Company Limited and Bajaj Allianz Life Insurance Company Limited for the payment of gratuity to the employees. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. Actuarial gains or losses are recognised in other comprehensive income.

### iv Other long term Employee benefits

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognises accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognised in the period in which the absences occur.

#### (p) Income taxes

Income Tax comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in OCI.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable

future and taxable profit will be available against which the temporary differences can be utilised

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognises MAT credit entitlement as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as 'MAT Credit Entitlement.' The Company reviews the 'MAT credit entitlement.' asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

### (q) Earnings Per share

The Company presents basic and diluted earnings per share ('EPS') data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares (unless the effect is anti-dilutive), which includes all stock options granted to employees.

to the financial statements for the year ended March 31, 2018

# (r) Provisions

#### General

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best management estimate required to settle the obligation at each Balance Sheet date. These are reviewed at each Balance Sheet date and are adjusted to reflect the current best management estimates.

#### **Contingent liability**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the standalone financial statements.

### (s) Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank, cash in hand and short term investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### (t) Share based payments

In accordance, with the Securities and exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and IndAS 102 Share-based Payments, the cost of equity-settled transactions is measured using the fair value method. The cumulative expense recognised for equitysettled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit recognised in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense, together with a corresponding increase in the 'Employee Stock options outstanding account' in reserves. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest.

#### (u) Dividend

The Company recognise a liability to make dividend distributions to equity holders when the distribution is approved by the shareholders.

#### (v) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### **Financial assets**

### Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

### Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

#### Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Statement of Profit & Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

#### Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit & Loss.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### **Financial liabilities**

### Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

#### Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

# Notes to the financial statements for the year ended March 31, 2018

**Financial liabilities at fair value through profit or loss** Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

# Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

#### Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

### Trade and other payable

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are generally unsecured. Trade and other payable are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using effective interest method.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

#### Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance;
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18;

The Company impairs its trade receivables basis past experience and trend. Other financial asset, are impaired on case to case basis.

(w) Corporate Social Responsibility ('CSR') expenditure:

CSR expenditure incurred by the Company is charged to the statement of the profit and loss.

#### (x) Recent accounting pronouncements

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, Ministry of Corporate Affairs ('MCA') has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 01, 2018. The Company has evaluated the effect of this on the standalone financial statements and the impact is not likely to be material.

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ('MCA') has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers. The standard permits two possible methods of transition:

- Retrospective approach Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors
- Retrospectively with cumulative effect of initially applying the standard recognised at the date of initial application (Cumulative catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 01, 2018.

The Company will adopt the standard on April 01, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is likely to be insignificant.

### Note: Impairment testing of Goodwill:

Goodwill represents excess of consideration paid over the net assets acquired. This is monitored by the management at the level of cash generating unit (CGU) and is tested annually for impairment. Cinemax India Limited and Cinema exhibition undertaking of DLF Utilities Limited acquired in financial year 2012- 13 and 2016-17 respectively is now completely integrated with the existing cinema business of the Company, and accordingly is monitored together as one CGU. The goodwill that arose on such acquisitions is tested for impairment by reference to the quoted price of equity shares of PVR Limited ('PVR'), which carries total cinema exhibition business. As at March 31, 2018, total market capitalisation of PVR is ₹ 568,411 lakhs significant part of which represents value of the cinema exhibition business which is higher than the carrying value of Goodwill.

<sup>1</sup> The Company has not accounted for Deferred tax assets on Capital loss on sale of Investment in 'PVR BluO Entertainment Limited' and loss on fair valuation of 'iPic Entertainment Inc.' Investment on account of reasonable certainity.

<sup>2</sup> The MAT credit entitlement asset recognised by the Company represents that portion of MAT liability, which can be recovered and set off in subsequent years based on provisions of the Income Tax Act, 1961. The management, based on the present trend of profitability and future projections, is of the view that there would be sufficient taxable income in foreseeable future, which will enable the Company to utilise MAT credit assets.

# 31 Gratuity plan:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure @15 days last drawn salary for each completed year of service, in terms of Payment of Gratuity Act, 1972. The scheme is funded with two insurance companies in the form of a qualifying insurance policies. The fund has the form of a trust and it is governed by the Board of Trustees. The Board of Trustees is responsible for the administration of the plan assets. Each year, the Board of Trustees reviews the level of funding in the India gratuity plan. This includes employing the use of annuities and longevity swaps to manage the risks. The Board of Trustees decides its contribution based on the results of this annual review. Generally, it aims to have a portfolio mix of equity instruments and debt instruments. The Board of Trustees aim to keep annual contributions relatively stable at a level such that no plan deficits (based on valuation performed) will arise.

As the plan assets include investments in quoted mutual funds, the Company has diversified the market risk.

The following tables summarise the components of net benefit expense recognised in the statement of profit and loss and the funded status and amounts recognised in the balance sheet for the gratuity plan.

# 37 Details of dues to Micro, Small and Medium Enterprises as per MSMED Act, 2006

Government of India has promulgated an Act namely The Micro, Small and Medium Enterprise Development Act, 2006 which comes into force with effect from October 02, 2006. As per the act, the Company is required to identify the Micro, Small and Medium Suppliers and pay them interest on overdue beyond the specified period irrespective of terms agreed with the suppliers. The Company has sent the confirmation letters to its suppliers at the year end, to identify the supplier registered with the act. As per the information available with the Company, none of the supplier has confirmed that they have registered with the Act. In view of this, the liability of interest has not been provided nor is required disclosure done.

**38** The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under Sections 92-92F of the Income-tax Act, 1961. Since the law requires such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation of international transactions with the associated enterprises during the financial year and expects such records to be in existence latest by the due date of filing the return of income. The management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

### **39 Corporate Social Responsibility**

As per Section 135 of the Companies Act, 2013, a Company, meeting the applicability threshold, is required to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are eradication of hunger and malnutrition, promoting education, art and culture, healthcare, care for destitute women and rehabilitation of under privileged person, environment sustainability, disaster relief and rural development projects. A CSR committee has been formed by the Company as per the Act.

During the year, the Company has spent ₹ 232 lakhs through its foundation PVR Nest & others. PVR Nest focuses on providing education, healthcare, nutrition and rehabilitation to children.

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

- Long-term fixed-rate and variable-rate receivables/deposit are evaluated by the Company based on parameters such as interest
  rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project.
  Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables/deposits.
- The fair values of the quoted instruments are based on price quotations at the reporting date. The fair value of unquoted instruments, loans from banks and other financial liabilities, obligations under finance leases, as well as other non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

# 46 Financial risk Management objective and policies

The Company's principal financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk, legal, taxation and accounting risk and liquidity risk. Company's treasury team overseas the management of these risks supported by senior management.

### (a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

### (i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

### Interest Rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

| Dentities de ser                                              | Increase effect |                | Decrease effect |                |

### (ii) Currency risk

Currency risk is the risk that the fair value of future cash flows of financial instruments will fluctuate because of the change in foreign currency exchange rates.

The Majority of the Company's revenue and expenses are in Indian Rupees, with the remainder denominated in US Dollars. Management considers currency risk to be low and does not hedge its currency risk. As variations in foreign currency exchange rates are not expected to have a significant impact on the results of operations, a sensitivity analysis is not presented.

## (b) Legal, taxation and Accounting risk

The Company is presently involved into various judicial, administrative, regulatory and litigation proceedings concerning matters arising in the ordinary course of business operations including but not limited to personal injury claims, landlord-tenant disputes, commercials disputes, tax disputes(including entertainment tax subsidy and other direct and indirect tax matters like GST, Service tax, Sales tax etc.), employment disputes and other contractual disputes. Many of these proceedings seek an indeterminate amount of damages. In situations where management believes that a loss arising from a proceeding is probable and can reasonably be estimated, PVR records the amount of the probable loss. As additional information becomes available, any potential liability related to these proceedings is assessed and the estimates are revised, if necessary.

To mitigate these risks, the Company employs in-house counsel and uses third party tax & legal experts to assist in structuring significant transactions and contracts. PVR also has systems and controls that ensure the timely delivery of financial information in order to meet contractual and regulatory requirements and has implemented disclosure controls and Internal controls over financial reporting which are tested for effectiveness on an ongoing basis.

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations.

Credit risk on cash and cash equivalents and bank deposits is limited as the Company generally invests in deposits with banks with high credit ratings assigned by domestic credit rating agencies. Other financial assets primarily represents security deposits given to Mall Developers. Such deposit will be returned to the Company on expiry of lease entered with Mall Developer. The credit risk associated with such security deposits is relatively low.

Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Trade receivables also includes receivables from Debit/credit card companies and online movie ticketing partners which are realisable within a period 1 to 3 working days. The Company monitors the economic environment in which it operates. The Company manages its credit risk through establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available internal credit risk factors such as the Company's historical experience for customers. Based on the business environment in which the Company operates, management considers that the trade receivables (other than Government dues) are in default/doubtful if the payment is outstanding for more than 270 days and more than 365 days in case of government dues. Basis above, for the year ended March 31, 2018, Company has impaired Trade receivables of ₹ 1,161 lakhs (March 31, 2017: ₹ 873 lakhs).

Majority of trade receivables are from domestic customers, which are fragmented and are not concentrated to individual customers.

### (d) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets. The Company's approach to manage liquidity is to have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed circumstances, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, debentures, finance leases and advance payment terms.

The Company's liquidity management process as monitored by management, includes the following:

- Day to Day funding, managed by monitoring future cash flows to ensure that requirements can be met.

to the financial statements for the year ended March 31, 2018

(Rupees in lakhs, except for per share data and if otherwise stated)

- Maintaining rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

- Maintaining diversified credit lines.

\*Borrowing includes Non-Convertible Debentures, Term loans, finance lease obligations, Bank overdraft and commercial papers excluding transaction cost.

The Company has also significant contractual obligations in the form of operating lease (Note no. 32(i)) and capital & other commitments (Note No.33).

# **47 Capital Management**

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is long term debts plus amount payable for purchase of fixed assets divided by total equity.

\* As on date of sale of investment, PVR bluO Entertainment Limited had ₹ 1,411 lakhs as cash and cash equivalent.

\*\* The said amount is outstanding for settlement by the Company as at the year ended March 31, 2018.

52 Under the erstwhile state entertainment tax laws, the Company enjoyed exemption on payment of entertainment tax to recoup the capital investments made in cinemas. However, post implementation of GST, the mechanism on how such exemptions / refunds will be made available has not been clarified by the authorities. The Company has submitted written representations to the various state governments directly and through multiplex associations, stating that since the Company has invested significant amounts on assurance that such exemptions will continue post GST, therefore, the authorities should crystalise the mechanism for extending such exemptions /refunds to the Company. As the matter is still pending for conclusion with various state authorities, the Company has not accounted for such incentives amounting to ₹ 1,032 lakhs from the period July 01, 2017 to March 31, 2018 in the financial statements.

53 Previous year financial statements for the year March 31, 2017 were audited by another firm of Chartered Accountants.

# Independent Auditor's Report

### To the Members of PVR Limited

## Report on the Audit of Consolidated Ind AS Financial Statements

We have audited the accompanying Consolidated Ind AS Financial Statements of PVR Limited (hereinafter referred to as 'the Holding Company'), its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') and its joint ventures, which comprise the Consolidated Balance Sheet as at 31 March 2018, the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement, for the year then ended, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the Consolidated Ind AS Financial Statements').

### Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Ind AS Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as 'the Act') that give a true and fair view of the Consolidated State of Affairs, Consolidated Profit and Other Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Cash Flows of the Group including its joint ventures in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its joint ventures and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, the respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for assessing the ability of the Group and of its joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS Financial Statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made, as well as evaluating the overall presentation of the Consolidated Ind AS Financial Statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group and of its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Group and its joint ventures to cease to continue as a going concern.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 2 (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

# Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and joint ventures, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated State of Affairs of the Group and of its joint ventures as at 31 March 2018 and their Consolidated Profit and Other Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Cash Flows for the year ended on that date.

## **Other Matters**

- The comparative financial information of the of the Group and its joint ventures for the year ended 31 March 2017 prepared in accordance with Ind AS, included in these Consolidated Ind AS Financial Statements have been audited by the predecessor auditor who had audited the financial statements for the relevant period. The report of the predecessor auditor on the comparative financial information dated 30 May 2017 expressed an unmodified opinion. Our opinion is not modified in respect of this matter.
- 2. We did not audit the Financial Statements of a subsidiary, whose Financial Statements reflect total assets of ₹ 129 lakhs and net assets of ₹ 128 lakhs as at 31 March 2018, total revenues of ₹ Nil lakhs and net cash inflows amounting to ₹ 127.5 lakhs for the year ended on that date, as considered in the Consolidated Ind AS Financial Statements. The Consolidated Ind AS Financial statements also include the Group's share of net loss of ₹ 72.56 lakhs and other comprehensive income of ₹ Nil lakhs for the year ended 31 March 2018, as considered in the Consolidated Ind AS Financial Statements, in respect of two joint ventures whose Financial Statements have not been audited by us. These Financial Statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Ind AS Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures and our report in terms of sub-section (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries and joint ventures is based solely on the reports of the other auditors.

Our opinion above on the Consolidated Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

## Report on Other Legal and Regulatory Requirements

 As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate Financial Statements and the Other Financial Information of subsidiaries and joint ventures, as noted in the 'other matters' paragraph, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.
- In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and joint ventures incorporated in and outside India, none of the directors of the Holding Company, subsidiary companies and joint ventures incorporated in and outside India is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and joint ventures incorporated in and outside India and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate Financial Statements as also the other Financial Information of the subsidiaries and joint ventures, as noted in the 'Other matters' paragraph:
  - i. The Consolidated Ind AS Financial Statements disclose the impact of pending litigations on the

Consolidated Financial Position of the Group and its joint ventures. Refer Note 36 to the Consolidated Ind AS Financial Statements;

- ii. The Group and its joint ventures did not have any material foreseeable losses on long-term contracts including derivative contracts during the year ended 31 March 2018;
- There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company, its subsidiary companies and joint ventures incorporated in and outside India during the year ended 31 March 2018; and
- iv. The disclosures in the Consolidated Ind AS Financial Statements regarding holdings as well as dealings in specified bank notes during the period from 8

November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However amounts as appearing in the audited Consolidated Ind AS Financial Statements for the year ended 31 March 2017 have been disclosed. Refer Note 12 to the Consolidated Ind AS Financial Statements.

# Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the Group as of and for the year ended 31 March 2018, we have audited the internal financial controls with reference to the Consolidated Ind AS Financial Statements of PVR Limited (hereinafter referred to as 'the Holding Company'), its subsidiary companies and joint venture, which are companies incorporated in India, as of that date.

# Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

## **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with respect to the Consolidated Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable

to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Consolidated Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Consolidated Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Consolidated Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to the Consolidated Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the Consolidated Ind AS Financial Statements.

### Meaning of Internal Financial Controls with reference to the Consolidated Ind AS Financial Statements

A Company's internal financial control with reference to the Consolidated Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the Consolidated Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

## Inherent Limitations of Internal Financial Controls with reference to the Consolidated Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Consolidated Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Consolidated Ind AS Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Consolidated Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# Opinion

In our opinion, the Holding Company, its subsidiary companies and joint ventures, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to the Consolidated Ind AS Financial Statements and such internal financial controls with reference to the Consolidated Ind AS Financial Statements were operating effectively as at 31 March 2018, based on the internal control with reference to the Consolidated Ind AS Financial Statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Other Matters**

Our aforesaid reports under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to the Consolidated Ind AS Financial Statements insofar as it relates to 1 subsidiary Company and 1 joint venture, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary Company and joint venture incorporated in India. Our report is not modified in respect of this matter.

Note:

- Statement of Cash Flow has been prepared under the indirect method as set out in the Ind AS 7 'Statement of cash flows'
- During the year, the Company paid in cash ₹ 232 lakhs (March 31, 2017: ₹ 185 lakhs) towards corporate social responsibility (CSR) expenditure (Refer note 39).
- Amendment to Ind AS 7: Effective 1 April 2017, the Group adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of these consolidated financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. Reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities is as below:

## 2.1 Basis of preparation

### (a) Statement of compliance

These consolidated financial statements of Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act. The Group had adopted Ind AS with effect from April 01, 2016, with transition date of April 01, 2015, pursuant to notification issued by Ministry of Corporate Affairs dated February 16, 2015, notifying the Companies (Indian Accounting Standard) Rules, 2015.

These consolidated financial statements for the year ended March 31, 2018 are approved by the Audit Committee and Board of Directors on May 04, 2018.

### (b) Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (₹), which is also the Group's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

### (c) Basis of Measurement

These consolidated financial statements have been prepared on an accrual basis and under the historical cost

convention, except for the following assets and liabilities which have been measured at fair value:

 Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments, refer note 2.3 (w))

### (d) Critical accounting estimates and judgements

In preparing these consolidated financial statements, management has made judgements, estimates and assumptions that effect the application of accounting policies and the reported amounts of assets, liabilities, Income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised prospectively.

- Note 2.3 (o) (iii) and 32 measurement of defined benefit obligations: key actuarial assumptions;
- Note 2.3 (b), (c), (d), 3 and 4 measurement of useful life and residual values of property, plant and equipment and useful life of intangible assets;

### to the Consolidated financial statements for the year ended March 31, 2018

- Note 36 Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Group as it is not possible to predict the outcome of pending matters with accuracy;
- Note 2.3 (t) judgement required to determine ESOP assumptions;
- Note 2.3 (p) judgement required to determine probability of recognition of current tax, deferred tax assets and MAT credit entitlement; and
- Note 2.3 (w)- fair value measurement of financial instruments.

There are no assumptions and estimation that have a significant risk of resulting in a material adjustment within the next financial year.

### 2.2 Basis of consolidation

### (i) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

### (ii) Non-controlling interests (NCI)

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

### (iii) Loss of control

When the Group loses control over subsidiary, it derecognises the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any interest retained in the former subsidiary is measured at fair value at the date of control is lost. Any resulting gain or loss is recognised in the statement of profit or loss.

### (iv) Equity accounted investees

The Group's interest in equity accounted investees comprise interests in joint ventures. A Joint venture is an arrangement in which the Group has joint control and has rights to the net assets of the arrangements, rather than rights to its assets and obligations for its liabilities. Interest in Joint Venture is accounted for using the equity method. They are initially recognised at cost which includes transaction costs. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit or loss and OCI of equity-accounted investees untill the date on which significant influence or joint control ceases.

### (v) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the investees. unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

## 2.3 Summary of Significant accounting policy

### (a) Current and non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it satisfies any of the following criteria:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

Group classifies all other assets as non-current.

A liability is current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period;, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle for the purpose of classification of assets and liabilities as current and non-current.

### (b) Property, plant and equipment (PPE) (i) Recognition and Measurement:

PPE and Capital work in progress (including Pre-operative expenses) are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price (net of CENVAT) and any directly attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use. Leasehold improvements represent expenses incurred towards civil works, interior furnishings, etc. on the leased premises at various cinema locations.

Expenditure directly relating to construction activity are capitalised. Indirect expenditure incurred during construction period is capitalised as part of the indirect construction cost to the extent expenditure is directly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period, which is not related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The Group identifies any particular component embedded in the main asset having significant value to total cost of asset and also a different life as compared to the main asset.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Cost of PPE not ready for it's intended use as at the reporting date is disclosed as Capital work-in-progress.

### (ii) Subsequent expenditure:

Subsequent expenditure on additions and betterment of operational properties are capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group and expenditures for maintenance and repairs are charged to statement of profit & loss as incurred.

### (iii) Transition to Ind AS:

On transition to Ind AS, the Group had elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 01, 2015, measured as per the previous GAAP and use that carrying value as the deemed cost of such property, plant and equipment.

### (c) Depreciation on Property, plant and equipment

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their useful lives using Straight-line method. Estimated useful life of the assets are generally in line with the useful lives as prescribed under Part C of Schedule II to the Companies Act, 2013 except in the following cases, where the management based on technical and internal assessment considers life to be different than prescribed under Schedule II. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

| Particulars            | Useful life as<br>per Schedule II<br>(in years) | Management<br>estimate of<br>Useful life (in |
|------------------------|-------------------------------------------------|----------------------------------------------|
|                        |                                                 | years)                                       |
| Concession equipment's | 15                                              | 8                                            |
| Gaming equipment's     | 15                                              | 13.33                                        |
| Furniture & fixtures   | 8                                               | 5 to 10.53                                   |
| Vehicles               | 8                                               | 5                                            |
| LCD's                  | 5                                               | 4                                            |

Parent Company has estimated the residual value @ 5% of original cost for all assets except for sound and projections equipment's which are taken @ 10% of original cost based on technical assessment done by management.

Leasehold improvements are amortised on a straight-line basis over the total period of lease including renewals or unexpired period of lease, whichever is shorter.

Assets under finance leases are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Parent Company will obtain ownership by the end of lease term.

Depreciation on addition (disposal) is provided on a prorata basis i.e. from (upto) the date on which assets is ready for use (disposed of). Further, depreciation includes accelerated depreciation of ₹ 520 lakhs on account of change in estimate of useful lives of property, plant and equipment resulting from cinema closure earlier than planned or due to renovation.

to the Consolidated financial statements for the year ended March 31, 2018

### (d) Intangible assets

### (i) Recognition and Measurement:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

### (ii) Subsequent Expenditure:

Subsequent expenditure is capitalised only when it increase the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in the statement of profit or loss as incurred.

### (iii) Transition to Ind AS

Group had elected to continue with the carrying value of all of its intangible assets using the transition provisions of Ind AS, measured as per the previous GAAP and use that carrying value as the deemed cost of such intangible assets.

### (iv) The useful life and the basis of amortisation and impairment losses are as under:

### a. Software

Cost relating to purchased software and software licenses are capitalised and amortised on a straightline basis over their estimated useful lives of 6 years.

### b. Goodwill

Goodwill on acquisitions is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Goodwill is allocated to cashgenerating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes.

### c. Trademarks and copyrights

Trademark and copyrights for the brand name acquired and registered by the Group are capitalised and are amortised over an estimated life of five years.

### d. Film Right's

The intellectual property rights acquired/ created in relation to films are capitalised as film rights. The amortisation policy is as below:

(a) In respect of films which have been co-produced /co owned/acquired and in which the Group holds rights for a period of 5 years and above as below:

 60% to 80% of the cost of film rights on first domestic theatrical release of the film based on the management estimates. The said amortisation relates to domestic theatrical rights, international theatrical rights, television rights, music rights and video rights etc.

In case these rights are not exploited along with or prior to their first domestic theatrical release, proportionate cost of such right is carried forward to be written off as and when such right is commercially exploited or at the end of 1 year from the date of first domestic theatrical release, whichever occurs earlier.

- Balance 40% to 20% is amortised over the remaining license period based on an estimate of future revenue potential subject to a maximum period of 10 years.
- (b) In respect of films, where the Group holds rights for a limited period of 1 to 5 years, entire cost of movies rights acquired or produced by the Company is amortised on first theatrical release of the movie. The said amortisation relates to domestic theatrical rights, international theatrical rights, television rights, music rights and video rights and others.

In case these rights are not exploited along with or prior to the first domestic theatrical release, proportionate cost of such right is carried forward to be written off as and when such right is commercially exploited or at the end of 1 year from the date of first theatrical release, whichever occurs earlier.

- (c) In one of the subsidiary Company, PVR Pictures Limited, the film right cost (primarily for foreign films) is amortised over the period of useful lives, writing off more in year one which recognises initial income flows and then the balance over a period of nine years, or the remaining life of the content rights, whichever is less. The amortisation policy followed by the subsidiary Company, PVR Pictures Limited is as below:
  - 25% to 75% of the cost of film rights on first domestic theatrical release of the film based on the management estimates if the agreement is silent on allocation of rights. The said amortisation relates to Theatrical rights.

- In case these theatrical rights are not exploited proportionate cost of such right is written off as and when the management decides to commercially not exploit such right.
- Balance 75% to 25% is amortised over the remaining license period based on an estimate of future revenue potential if the agreement is silent on allocation of rights subject to a maximum period of 10 years.

### (e) Borrowing Costs

Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed in the period they are incurred.

### (f) Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Group's of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses, if any are recognised in the statement of profit and loss.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

### (g) Inventories

Inventories are valued as follows:

### (a) Food and beverages

Lower of cost and net realisable value. Cost is determined on weighted average basis.

### (b) Stores and spares

Lower of cost and net realisable value. Cost is determined on First In First Out (FIFO) basis.

Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition;

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

The comparison of cost and Net realisable value is made on an item-by-item basis.

### (h) Leases

# (i) Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

### to the Consolidated financial statements for the year ended March 31, 2018

For arrangements entered into prior to April 01, 2015, the Group has determined whether the arrangement contains lease on the basis of facts and circumstances existing on the date of transition.

### (ii) Assets held under lease

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Group is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Group's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

### (iii) Lease payments

Payments made under operating leases are generally recognised in the statement of profit and loss on a straight line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase.

Payments made under finance lease are allocated between the outstanding liability and finance cost. The finance cost is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

### (i) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group, and the revenue can be reliably measured regardless of when the payment is being made. Revenue excludes goods and service tax, sales tax and entertainment tax which are collected by the Group on behalf of the Government and deposited to the credit of respective Governments.

GST has been implemented with effect from July 01, 2017 which replaces Entertainment tax, Service tax and other indirect taxes like sales tax and value added taxes. As per the requirement of IndAS 18, revenue is reported net of applicable taxes. The following specific recognition criteria must also be met before revenue is recognised:

# i Income from sale of movie tickets (Box office revenue)

Revenue from sale of movie tickets is recognised as and when the film is exhibited.

### i Sale of food and beverages

Revenue from sale of food and beverages is recognised upon passage of title to customers, which coincides with their delivery to the customer.

### iii Revenue from Gift vouchers

The amount collected on sale of a gift voucher is recognised as a liability and transferred to revenue when redeemed or on expiry.

### iv Advertisement revenue

Advertisement revenue is recognised as and when advertisement are displayed at the cinema halls and in accordance with the term of the agreement.

### v Income from movie production and distribution

Revenues from film produced, co -produced/co -owned are accounted for based on the terms of the agreement.

### vi Convenience Fee

Convenience fee is recognised as and when the movie tickets are sold on digital platforms. Further, in case of fixed contracts with digital ticketing partners, revenue is recognised on accrual basis in accordance with the terms of the agreement.

### vii Virtual Print fees (VPF)

Revenue is recognised on an accrual basis in accordance with the terms of the relevant agreements.

#### viii Gaming Income

Revenue from bowling games is recognised as and when the games are played by patrons.

### ix Management fee

Revenue is recognised on an accrual basis in accordance with the terms of the relevant agreements.

### x Rental and food court income

Rental Income is recognised on accrual basis for the period the space in cinema and food court is let out under the operating lease arrangement.

### xi Interest income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

### xii Dividend income

Dividend Income is recognised when the Group's right to receive dividend is established by the reporting date, which is generally when shareholders approve the dividend.

### (j) Government grants

Grants and subsidies from the government are recognised when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with. When the grant or subsidy relates to an expense item, it is recognised as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Similarly, where the grant relates to an asset, it is recognised as deferred income and released to income in equal istallments over the expected useful life of the related assets.

### (k) Cost Recognition

Cost and expenses are recognised when incurred and have been classified according to their nature. The costs of the Group are broadly categorised in Movie exhibition, distribution cost, consumption of food and beverages, Employee benefit expenses, depreciation and amortisation expenses, finance cost and other operating expenses. Other operating expense mainly includes, Rent, common area maintenance, Electricity, legal and professional fees, travel expenses, Repair and Maintenance and other expenses. Other expenses is an aggregation of costs which are individually not material.

### (I) Business Combination and Goodwill

Business combinations are accounted for using the acquisition method. At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

 Deferred tax assets or liabilities, and the assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits respectively;

- Liabilities or equity instruments related to share based payment arrangements of the acquiree or share – based payments arrangements of the Group entered into to replace share-based payment arrangements of the acquiree are measured in accordance with Ind AS 102 Share-based Payments at the acquisition date;
- Assets (or disposal Group's) that are classified as held for sale in accordance with Ind AS 105 Noncurrent Assets Held for Sale and Discontinued Operations are measured in accordance with that standard; and
- Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss or Other comprehensive income, as appropriate.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognised in profit or loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and subsequent its settlement is accounted for within equity.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities

# Notes to the Consolidated financial statements for the year ended March 31, 2018

assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through Other comprehensive income.

As a result from business combination the Group as whole has gained synergies relating to increase in revenue, decrease of certain operational cost and effective vendor negotiation. The Group as a whole is considered as a CGU, and there are no other CGU's identifiable to which Goodwill from business combinations is allocated.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

Where goodwill has been allocated to a cash-generating unit and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

### (m) Foreign currency

### Foreign currency transaction

Transactions in foreign currencies are translated into the respective functional currencies of Group Companies at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Nonmonetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined.

### ii Foreign operations

The assets and liabilities of foreign operations (subsidiaries and joint ventures) including goodwill and fair value adjustments arising on acquisition, are translated into INR ( $\overline{\mathbf{x}}$ ), the functional currency of the Company, at the exchange rates at the reporting date. The Income and expenses of foreign operations are translated into INR ( $\overline{\mathbf{x}}$ ) at the exchange rates at the dates of the transactions or an average rate approximates the actual rate at the date of the transaction.

### (n) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

# Notes to the Consolidated financial statements for the year ended March 31, 2018

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuer's are involved for valuation of significant assets, liabilities, such as ESOP, Gratuity etc.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

 Financial instruments (including those carried at amortised cost) (note 2.2(w))

### (o) Employee benefits

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans.

The Company has the following employee benefit plans:

### i Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services is provided. A liability is recognised for the amount expected to be paid e.g. under short-term cash bonus, incentives, if the Company has a present legal or constructive obligation to pay this amount as a result of past services provided by the employee, and the amount of obligation can be estimated reliably.

### ii Defined contribution Plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as expenditure, when an employee renders service.

### iii Defined Benefit Plan

Gratuity is a defined benefit obligation. The Company has approved gratuity funds managed with ICICI Prudential Life Insurance Company Limited and Bajaj Allianz Life Insurance Company Limited for the payment of gratuity to the employees. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. Actuarial gains or losses are recognised in other comprehensive income.

### iv Other long term Employee benefits

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognises accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognised in the period in which the absences occur. The Company recognises actuarial gains and losses immediately in the statement of profit and loss.

### (p) Income taxes

Income Tax comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in OCI.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except

When the deferred tax asset relating to the deductible temporary difference arises from the initial

recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and

In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain, as the case may be, that sufficient future taxable income will be available

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognises MAT credit entitlement as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as 'MAT Credit Entitlement.' The Company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

### (q) Earnings Per share

The Company presents basic and diluted earnings per share ('EPS') data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares (unless the effect is anti-dilutive), which includes all stock options granted to employees.

### (r) Provisions

### General

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best management estimate required to settle the obligation at each Balance Sheet date. These are reviewed at each Balance Sheet date and are adjusted to reflect the current best management estimates.

### **Contingent liability**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the consolidated financial statements.

### (s) Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank, cash in hand and short term investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

### (t) Share based payments

In accordance with the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and IndAS 102 Share-based Payments, the cost of equity-settled transactions is measured using the fair value method. The cumulative expense recognised for equitysettled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number

### to the Consolidated financial statements for the year ended March 31, 2018

of equity instruments that will ultimately vest. The expense or credit recognised in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense, together with a corresponding increase in the 'Employee Stock options outstanding account' in reserves. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest.

### (u) Dividend

The Company recognise a liability to make dividend distributions to equity holders when the distribution is approved by the shareholders.

### (v) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Chairman of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly identified as the chief operating decision maker. Revenues, expenses, assets and liabilities, which are common to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been treated as 'unallocated revenues/ expenses/ assets/ liabilities', as the case may be.

### (w) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **Financial assets**

### Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

Debt instruments at amortised cost

- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

#### Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

### **Debt instrument at FVTOCI**

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

### Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Proft & Loss.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### Financial liabilities

### Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

### Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

# Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

### Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

# Notes to the Consolidated financial statements for the year ended March 31, 2018

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

### Trade and other payable

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are generally unsecured. Trade and other payable are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using effective interest method.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance;
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18;

The Company impairs its trade receivables basis past experience and trend. Other financial asset, are impaired on case to case basis.

### (x) Recent accounting pronouncements

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, Ministry of Corporate Affairs ('MCA') has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 01, 2018. The Company has evaluated the effect of this on the consolidated financial statements and the impact is not likely to be material.

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ('MCA') has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

- Retrospective approach Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors
- Retrospectively with cumulative effect of initially applying the standard recognised at the date of initial application (Cumulative catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 01, 2018.

The Company will adopt the standard on April 01, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is likely to be insignificant.

Note:

### **Impairment testing of Goodwill:**

Goodwill represents excess of consideration paid over the net assets acquired. This is monitored by the management at the level of cash generating unit (CGU) and is tested annually for impairment. Cinemax India Limited and Cinema exhibition undertaking of DLF Utilities Limited acquired in financial year 2012- 13 and 2016-17 respectively is now completely integrated with the existing cinema business of the Parent Company, and accordingly is monitored together as one CGU. The goodwill that arose on such acquisitions is tested for impairment by reference to the quoted price of equity shares of PVR Limited ('PVR'), which carries total cinema exhibition business. As at March 31, 2018, total market capitalisation of PVR is ₹ 568,411 lakhs significant part of which represents value of the cinema exhibition business which is higher than the carrying value of Goodwill.

<sup>1</sup> The Parent Company has not accounted for Deferred tax assets on Capital loss on sale of Investment in 'PVR BluO Entertainment Limited' and loss on fair valuation of 'iPic Entertainment Inc.' Investment on account of reasonable certainity.

<sup>2</sup> The MAT credit entitlement asset recognised by Parent Company represents that portion of MAT liability, which can be recovered and set off in subsequent years based on provisions of the Income Tax Act, 1961. The management, based on the present trend of profitability and future projections, is of the view that there would be sufficient taxable income in foreseeable future, which will enable the Company to utilise MAT credit assets.

### 32 Gratuity:

The Group has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure @15 days last drawn salary for each completed year of service, in terms of Payment of Gratuity Act, 1972. The Parent Company Gratuity scheme is funded with two insurance companies in the form of a qualifying insurance policies. The fund has the form of a trust and it is governed by the Board of Trustees. The Board of Trustees is responsible for the administration of the plan assets. Each year, the Board of Trustees reviews the level of funding in the India gratuity plan. This includes employing the use of annuities and longevity swaps to manage the risks. The Board of Trustees decides its contribution based on the results of this annual review. Generally, it aims to have a portfolio mix of equity instruments and debt instruments. The Board of Trustees aim to keep annual contributions relatively stable at a level such that no plan deficits (based on valuation performed) will arise. Gratuity scheme of subsidiaries is unfunded.

As the plan assets include investments in quoted mutual funds, the Company has diversified the market risk.

The following tables summarise the components of net benefit expense recognised in the statement of profit and loss and the funded status and amounts recognised in the balance sheet for the gratuity plan.

### to the Consolidated financial statements for the year ended March 31, 2018

(Rupees in lakhs, except for per share data and if otherwise stated)

The Black Scholes valuation model has been used for computing the weighted average fair value considering the following inputs:

| Particulars                              | March 31,2018 | March 31, 2017 |
|------------------------------------------|---------------|----------------|
| Dividend yield (%)                       | 0.12%         | -              |
| Expected volatility                      | 24.16%        | -              |
| Risk-free interest rate                  | 6.17%         | -              |
| Exercise price (₹)                       | 1400          | -              |
| Expected life of option granted in years | 1.17          | -              |

The Parent Company measures the cost of ESOP using the fair value method. The option has been granted on an exercise price of  $\mathfrak{F}$  1,400. As a result, an expense of  $\mathfrak{F}$  58 lakhs is recorded in financial statements in current year of which  $\mathfrak{F}$  10 lakhs is capitalised under Capital work-in progress and balance  $\mathfrak{F}$  48 lakhs is debited in statement of profit and loss.

The management assessed that cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

to the Consolidated financial statements for the year ended March 31, 2018 (Rupees in lakhs, except for per share data and if otherwise stated)

- Long-term fixed-rate and variable-rate receivables/deposit are evaluated by the Group based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables/deposits.
- The fair values of the quoted notes and bonds are based on price quotations at the reporting date. The fair value of unquoted instruments, loans from banks and other financial liabilities, obligations under finance leases, as well as other non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

#### (i) Amalgamation of Bijli Holdings Private Limited with PVR Limited

In previous year, Pursuant to the scheme of amalgamation, approved by Hon'ble High Court of Delhi on September 15, 2016, between PVR Limited (the Parent Company) and Bijli holdings Private Limited (BHPL), BHPL was merged with the Parent Company from the appointed date i.e. January 01, 2016.

BHPL was forming part of the promoter group of the Parent Company, which was holding 10,031,805 equity shares in the Parent Company constituting 21.55% of the Parent Company's paid-up equity share capital. Consequent upon amalgamation of BHPL with the Parent Company, individual promoters of the Parent Company, directly hold shares in the Parent Company in the same proportion as they held through the erstwhile BHPL. The amalgamation has resulted in simplification of the shareholding structure and reduction of shareholding Tiers as well as demonstrates the promoter's direct commitment to and engagement to the Parent Company.

Pursuant to the above, BHPL stands merged with the Parent Company following 'Purchase Method' of accounting as per the Accounting standard 14 'Accounting for Amalgamation', issued by the Institute of Chartered Accountants of India, basis approved scheme by Hon'ble High Court of Delhi of Delhi.

Upon the scheme becoming effective, the authorised share capital of the Parent Company shall automatically stand enhanced by the authorised share capital of BHPL.

### 43 Financial risk Management objective and policies

The Group's financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. Group's financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

Group is exposed to market risk, credit risk, legal, taxation and accounting risk and liquidity risk. Group's Treasury teams overseas the management of these risks supported by senior management.

#### (a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

#### (i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Group's exposure to the risk of changes in market interest rates relates primarily to the long-term debt obligations with floating interest rates.

Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

#### Interest Rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Parent Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

|                                                               | Increase effect |                | Decrease effect |                |

#### (ii) Currency risk

Currency risk is the risk that the fair value of future cash flows of financial instruments will fluctuate because of the change in foreign currency exchange rates.

The Majority of Group's revenue and expenses are in Indian Rupees, with the remainder denominated in US Dollars. Management considers currency risk to be low and does not hedge its currency risk. As variations in foreign currency exchange rates are not expected to have a significant impact on the results of operations, a sensitivity analysis is not presented.

#### (b) Legal, taxation and Accounting risk

Group is presently involved into various judicial, administrative, regulatory and litigation proceedings concerning matters arising in the ordinary course of business operations including but not limited to personal injury claims, landlord-tenant disputes, commercials disputes, tax disputes(including entertainment tax subsidy and other direct and indirect tax matters like GST, service tax, sales tax etc.), employment disputes and other contractual disputes. Many of these proceedings seek an indeterminate amount of damages. In situations where management believes that a loss arising from a proceeding is probable and can reasonably be estimated, Group records the amount of the probable loss. As additional information becomes available, any potential liability related to these proceedings is assessed and the estimates are revised, if necessary.

To mitigate these risks, Group employs in-house counsel and uses third party tax & legal experts to assist in structuring significant transactions and contracts. Group also has systems and controls that ensure the timely delivery of financial information in order to meet contractual and regulatory requirements and has implemented disclosure controls and Internal controls over financial reporting which are tested for effectiveness on an ongoing basis.

### (c) Credit Risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Consolidated Balance Sheet

| Particulars               | March 31,2018 | March 31, 2017 |
|---------------------------|---------------|----------------|
| Trade Receivables         | 15,561        | 10,208         |
| Cash and cash equivalents | 2,776         | 2,475          |
| Other bank balances       | 503           | 515            |
| Loans                     | 103           | 525            |
| Other financial assets    | 3,281         | 3,704          |

Credit risk is the risk of financial loss to Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations.

Credit risk on cash and cash equivalents and bank deposits is limited as the Company generally invests in deposits with banks with high credit ratings assigned by domestic credit rating agencies. Other financial assets primarily represents security deposits given to Mall Developers. Such deposit will be returned to the Company on expiry of lease entered with Mall Developer. The credit risk associated with such security deposits is relatively low.

Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Trade receivables also includes receivables from Debit/credit card companies and online movie ticketing partners which are realisable within a period 1 to 3 working days. The Company monitors the economic environment in which it operates. The Company manages its credit risk through establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available internal credit risk factors such as the Company's historical experience for customers. Based on the business environment in which the Company operates, management considers that the trade receivables (other than Government dues) are in default/doubtful if the payment is outstanding for more than 270 days and more than 365 days in case of government dues. Basis above, for the year ended March 31, 2018, Company has impaired Trade receivables of ₹ 1,211 lakhs (March 31, 2017: ₹ 921 lakhs).

Majority of trade receivables are from domestic customers, which are fragmented and are not concentrated to individual customers.

### (d) Liquidity risk

Liquidity risk is the risk that Group will encounter difficulty in meeting obligations associated with its financial liabilities. The Company monitors its risk of a shortage of funds using a liquidity planning tool.

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, debentures, finance leases and advance payment terms.

The Company's liquidity management process as monitored by management, includes the following:

to the Consolidated financial statements for the year ended March 31, 2018 (Rupees in lakhs, except for per share data and if otherwise stated)

- Day to Day funding, managed by monitoring future cash flows to ensure that requirements can be met.

- Maintaining rolling forecasts of the Company's liquidity position on the basis of expected cash flows.
- Maintaining diversified credit lines.

\*Borrowing includes Non-Convertible Debentures, Term loans, finance lease obligations, Bank overdraft and commercial papers excluding transaction cost. The Group has also significant contractual obligations in the form of operating lease (Note no. 34(ii)) and capital & other commitments (Note No.35).

### 44 Capital Management

For the purpose of Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value.

Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is long term debts plus amount payable for purchase of fixed assets divided by total equity.

## **49 Segment Information**

#### **Operating Segments:**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Chairman of the Company has been identified as being the chief operating decision maker to assess the financial performance and position of the Company and make strategic decisions. The Company is engaged primarily in the business Movie exhibition and Others allied activities (includes Movie production, distribution & gaming etc.) under the brand 'PVR'.

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

Movie exhibition is primarily the main segment and movie production, distribution & gaming etc. are less than 10% and hence aggregated under 'Others'.

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs. Revenue, expenses, assets and liabilities which relate to the Company as a whole and not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'.

Finance costs and fair value gains and losses on financial assets are not allocated to individual segments as the underlying instruments are managed on a Company basis.

Borrowings, current taxes, deferred taxes and certain financial assets and liabilities are not allocated to those segments as they are also managed on a Company basis.

- 54 During the year ended March 31, 2018, an additional capital was infused amounting to ₹ 150 lakhs in Zea Maize Private Limited (Subsidiary of the Parent Company) through Compulsory convertible preference shares.
- 55 Under the erstwhile state entertainment tax laws, the Parent Company enjoyed exemption on payment of entertainment tax to recoup the capital investments made in cinemas. However, post implementation of GST, the mechanism on how such exemptions / refunds will be made available has not been clarified by the authorities. The Parent Company has submitted written representations to the various state governments directly and through multiplex associations, stating that since the Company has invested significant amounts on assurance that such exemptions will continue post GST, therefore, the authorities should crystalise the mechanism for extending such exemptions / refunds to the Parent Company. As the matter is still pending for conclusion with various state authorities, the Parent Company has not accounted for such incentives amounting to ₹ 1,032 lakhs from the period July 01, 2017 to March 31, 2018 in the financial statements.

to the Consolidated financial statements for the year ended March 31, 2018

(Rupees in lakhs, except for per share data and if otherwise stated)

56 The Group has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under Sections 92-92F of the Income-tax Act, 1961. Since the law requires such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation of international transactions with the associated enterprises during the financial year and expects such records to be in existence latest by the due date of filing the return of income. The management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

57 Previous year financial statements for the year March 31, 2017 were audited by another firm of Chartered Accountants.
